SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-39467; File No. SR-CBOE-97-42]

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change By the Chicago Board Options Exchange, Incorporated Relating to Proactive Disclosure of "n" Orders

December 19, 1997.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934, 15 U.S.C. 78s(b)(1), notice is hereby given that on August 25, 1997, the Chicago Board Options Exchange, Incorporated ("CBOE or Exchange") filed with the

Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to amend Exchange Rule 7.5 ("Rule") regarding disclosure obligations for "n" orders by adding Interpretation .04. An "n" order as defined in Rule 6.51 is an order for any account of a non-member market-maker or specialist relating to his assignment in a class of options listed for trading both at this Exchange and at the exchange of the market-maker or specialist. The text of the proposed rule change is available at the Office of the Secretary, CBOE, and the Commission.

II. Self Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The CBOE has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to require a Floor Broker who holds a so-called "n" order to affirmatively disclose the status of the "n" order as such by public outcry at the post prior to representing the order in the trading crowd. An "n" order is defined in Rule 6.51 as an order for the account of a broker-dealer who is a non-member market-maker or specialist relating to his assignment in a class of options listed on CBOE and on another exchange. Disclosing the status of orders as "n" orders will make the trading crowd aware that the orders are broker-dealer orders and not public customer orders, so that they may be properly treated under CBOE Rules that give preferential treatment to non-broker-dealer public customer orders. For example, Rule 6.45 gives priority to non-broker-dealer public customer bids and offers in the customer limit order

book over other bids and offers at the same price, and Rule 8.51 provides that a trading crowd's firm quote obligations apply to non-broker-dealer public customer orders only. Requiring the identification of "n" orders as broker-dealer orders should reduce the likelihood that such orders will be inadvertently treated as public customer orders, thereby assuring that actual public customer orders will receive the priorities to which they are entitled under the Rules.

By requiring the affirmative disclosure of a category of broker-dealer orders that might otherwise be mistakenly identified as orders of public customers, the proposed rule change will safeguard the priorities granted under CBOE Rules to the orders of non-broker-dealer public customers, thereby serving to promote just and equitable principles of trade and to protect investors and the public interest in furtherance of the objectives of Section 6(b)(5) of the Securities Exchange Act of 1934.

B. Self-Regulatory Organization's Statement on Burden on Competition

The CBOE does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(a) By order approve such proposed rule change, or

(b) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W.,
