

The fair market value of the parcel has not yet been determined. Anyone interested in knowing the value may request this information from the address shown below.

The above-described land is hereby segregated from appropriation under the public land laws, including the mining laws, but not from sale under the above-cited statute, for 270 days or until title transfer is completed or the segregation is terminated by publication in the **Federal Register**, whichever occurs first.

The parcel is difficult and uneconomic to manage as part of the public lands and is not suitable for management by another Federal department or agency. No significant resource values will not be affected by this transfer. The sale is consistent with the Salem District Resource Management Plan and the public interest will be served by offering this parcel for sale.

The parcel is being offered only to Konstantin Verbin, fee owner of the adjoining property (Tax Lot 800, Map 7 2E 08D). The subject parcel contains a water well, pumphouse, and pipeline that is owned by Mr. Verbin. Use of the direct sale procedures authorized under 43 CFR 2711.3-3, will avoid an inappropriate land use pattern and recognize equities of the individual involved.

The terms, conditions, and reservations applicable to the sale are as follows:

1. Mr. Verbin must provide proof that he is a citizen of the United States and is 18 years of age or over.

2. Mr. Verbin will be required to submit a deposit of either cash, bank draft, money order, or any combination thereof for not less than the appraised value.

3. The mineral interests being offered for conveyance have no known mineral value. A bid will also constitute an application for conveyance of the mineral estate, in accordance with Section 209 of the Federal Land Policy and Management Act. A nonrefundable \$50.00 filing fee will be required from Mr. Verbin for purchase of the mineral estate.

4. The bargain and sale deed will be subject to:

a. Rights-of-way for ditches or canals will be reserved to the United States under 43 U.S.C. 945; and

b. All valid existing rights and reservations of record.

Detailed information concerning the sale is available for review at the Salem District Office, address above.

For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments to the Cascades Area

Manager, address above. Any adverse comments will be reviewed by the Salem District Manager, who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, this realty action will become the final determination of the Department of this Interior.
