Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 to provide the opportunity for public comment on proposed information collection activities, the Substance Abuse and

Mental Health Services Administration publishes periodic summaries of proposed activities. To request more information on the proposed activities or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (301) 443-0525.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Evaluation of Opioid Treatment Program Accreditation Project—New—SAMHSA's Center for Substance Abuse Treatment (CSAT), in conjunction with other Federal Agencies, is involved in planning and developing accreditation processes for opioid treatment programs (OTPs). The proposed project will evaluate the process, costs, and administrative and clinical impacts of the OTP accreditation process, and will estimate the costs of national implementation of an accreditation system. In collaboration with accreditation and technical assistance contractors, evaluation activities will be conducted at a sample of 90 treatment sites, with a control group of 30 treatment sites. Measures will include program structure and operation, costs, clinical practice, staff appraisal, patient satisfaction and treatment outcomes. The estimated annualized burden for two-year data collection period is summarized below.

	Number of respondents	Number of responses per respondent	Average burden per response (minutes)	Total burden hours	Annualized burden hours
Treatment Staff (Questionnaires)	2200	2	50	3667	1833
Treatment Staff (Focus Groups)	900	1	90	1350	675
Patients	4800	2	15	2400	1200
