**FOR FURTHER INFORMATION CONTACT:** Wayne Swingle, Executive Director, 813-228-2815.

**SUPPLEMENTARY INFORMATION:** The Council will hold public hearings on Draft Amendment 6 to the FMP. Amendment 6 would extend the current moratorium on issuance of Federal vessel registrations for the stone crab fishery in the Gulf of Mexico off Florida. The FMP provided that persons could fish commercially in Federal waters if they had either a state stone crab permit or had registered their vessel with NMFS. No one has ever requested a Federal vessel registration.

In 1995, under Amendment 5 to the FMP, the Council placed a moratorium on registration of vessels by NMFS, and the state of Florida, by legislative action, placed a moratorium on the issuance of any additional stone crab permits. The purpose of both actions was to provide

time for the stone crab industry to consider whether a limited access system was needed for the fishery and to develop such a system for implementation by the Florida Legislature. The purpose of the Council action proposed in Draft Amendment 6 is to prohibit registration of vessels for up to an additional 4 years so that the industry, state, and Council have adequate time to develop and implement a limited access system.

Public hearings on Amendment 6 are scheduled as follows, from 7:00 p.m. to 10:00 p.m.

1. Tuesday, January 6, 1998; Regional Service Center County Building, 2796 Overseas Highway (U.S. Highway 1), Marathon, Florida 33050.

2. Wednesday, January 7, 1998; Naples Depot Civic-Cultural Center, 1051 5th Avenue South, Naples, Florida 33940.

3. Thursday, January 8, 1998; Plantation Inn & Gulf Resort, 9301 West Fort Island Trail, Crystal River, Florida 34429.
