BILLING CODE 6717-01-M

Act (NGA), all as more fully set forth in the request which is on file with the Commission and open to public inspection.

National Fuel states that it proposes to construct and operate a residential sales tap for delivery of approximately 150 Mcf of natural gas annually to National Fuel Gas Distribution Corporation (Distribution) at an estimated cost of \$1,500, for which Distribution will reimburse National Fuel. National Fuel asserts that service through the proposed tap will be made pursuant to National Fuel's Rate Schedule EFT. It is indicated that the proposed tap will be located in Elk County, PA.

Any person or the Commission's Staff may, within 45 days of the issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to Section 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

BILLING CODE 6717-01-M

the Commission and open to public inspection.

NGT specifically proposes to abandon and remove a 1-inch inactive tap on Line Am-46, at station 194+57 in Hempsted County, Arkansas. NGT constructed this tap in 1941 to deliver natural gas to a rural domestic customer of Arkla, a distribution division of NorAm Energy Corp. (Arkla). Arkla has removed its distribution meter and the landowner has requested that NGT remove the tap to allow construction on the property. The abandonment cost of the facilities is \$258, and the landowner has agreed to reimburse NGT for these costs.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the natural Gas Act.
