Scientific Review and Evaluation Board for Health Services Research and Development Service; Notice of Meeting

The Department of Veterans Affairs, Veterans Health Administration, gives notice under Pub. L. 92-463, that a meeting of the Scientific Review and Evaluation Board for Health Services Research and Development Service will be held at the Clarion Hotel, Bay View, 660 K Street, San Diego, CA, January 11, 7 p.m. until 9 p.m., and January 12 through January 13, 1998, from 7:30 a.m. until 5 p.m. each day. The purpose of the meeting is to review research and development applications concerned with the measurement and evaluation of health care systems and with testing new methods of health care delivery and management. Applications are reviewed for scientific and technical merit. Recommendations regarding their funding are prepared for the Chief Research and Development Officer (12).

This meeting will be open to the public at the start of the January 11 session for approximately one half-hour to cover administrative matters and to discuss the general status of the program. The closed portion of the meeting involves discussion, examination, reference to, and oral review of staff and consultant critiques of research protocols and similar documents. During this portion of the meeting, discussion and recommendations will deal with the qualifications of the personnel conducting the studies (the disclosure of

which would constitute a clearly unwarranted invasion of personal privacy), as well as research information (the premature disclosure of which would be likely to frustrate significantly implementation of proposed agency action regarding such research projects). As provided by the subsection 10(d) of Pub. L. 92-463, as amended by Pub. L. 94-409, closing portions of these meetings is in accordance with 5 U.S.C. 552b(c)(6) and (9)(B).

Due to the limited seating capacity of the room, those who plan to attend the open session should contact Mr. E. William Judy, MSHA, Review Program Manager (124F), Health Services Research and Development Service, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC, at least five days before the meeting.
