

(D) The opportunity to speak with staff, either by telephone or in person, who are trained to clarify information and answer questions about paternity establishment;

(ii) Provide the mother and alleged father, if he is present, the opportunity to voluntarily acknowledge paternity;

(iii) Afford due process safeguards; and

(iv) Forward completed acknowledgements or copies to the State registry of birth records.

(3) The hospitals, birth record agencies, and other entities participating in the State's voluntary paternity establishment program need not provide services specified in paragraph (g)(2) of this section in cases where the mother or alleged father is a minor or a legal action is already pending, if the provision of such services is precluded by State law.

(4) The State must require that a voluntary acknowledgement be signed by both parents, and that the parents' signatures be authenticated by a notary or witness(es).

(5) The State must provide to all hospitals, birth record agencies, and other entities participating in the State's voluntary paternity establishment program:

(i) Written materials about paternity establishment, ii) forms necessary to voluntarily acknowledge paternity, and

(ii) Form necessary to voluntarily acknowledge paternity, and

(iii) Copies of a written description of the alternatives to, the legal consequences of, and the rights (including any rights, if a parent is a minor, due to minority status) and responsibilities of acknowledging paternity.

(6) The State must provide training, guidance, and written instructions regarding voluntary acknowledgment of paternity, as necessary to operate the voluntary paternity establishment services in the hospitals, birth record agencies, and other entities participating in the State's voluntary paternity establishment program.

(7) The State must assess each hospital, birth record agency, and other entity participating in the State's voluntary paternity establishment program that are providing voluntary paternity establishment services on at least an annual basis.

(8) The State must designate the State registry of birth records as the entity to which hospitals, birth record agencies, and other entities that are participating in the State's voluntary paternity establishment program must forward completed voluntary acknowledgements or copies in accordance with

§ 303.5(g)(2)(iv). Under State procedures, the State registry of birth records must be responsible for promptly recording identifying information about the acknowledgements with a statewide database, and the IV-D agency must have timely access to whatever identifying information and documentation it needs to determine in accordance with § 303.5(h) if an acknowledgement has been recorded and to seek a support order on the basis of a recorded acknowledgement in accordance with § 303.4(f).
