COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List Additions and Deletions

AGENCY: Committee for Purchase From
People Who Are Blind or Severely
Disabled

ACTION: Additions to and deletions from
the Procurement List.

SUMMARY: This action adds to the
Procurement List commodities and
services to be furnished by nonprofit
agencies employing persons who are
blind or have other severe disabilities,
and deletes from the Procurement List
commodities previously furnished by
such agencies.

EFFECTIVE DATE: February 9, 1998.

ADDRESSES: Committee for Purchase
From People Who Are Blind or Severely
Disabled, Crystal Gateway 3, Suite 310,
1215 Jefferson Davis Highway,
Arlington, Virginia 22202-4302.

FOR FURTHER INFORMATION CONTACT:
Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: On July 7,
August 15, September 26, October 24,
31, November 7 and 14, 1997, the
Committee for Purchase From People
Who Are Blind or Severely Disabled
published notices (62 FR 36256, 43698,
50555, 55391, 58939, 60218 and 61081)
of proposed additions to and deletions
from the Procurement List.

Additions

*The following comments pertain to
Cap, Camouflage, Desert (8415-01-326-
1570 thru -1581).* Comments were
received from the current contractor for
the caps. The contractor indicated that
the caps represent a relatively small part
of its sales, so it will not be severely
impacted by the decision to add them to
the Procurement List. However, the
contractor questioned the
appropriateness of adding the caps to
the Javits-Wagner-O'Day (JWOD)
Program because it claimed that two
JWOD nonprofit agencies had failed to
produce them successfully in the past
two years. Consequently, the contractor
stated that the addition would do little
to help people with severe disabilities
while taking business away from
commercial hat manufacturers.

The previous contractor has been
authorized to produce under the JWOD
Program, but has not yet done so.
Moreover, the contract it defaulted on
was acquired through competitive
bidding. The other JWOD nonprofit
agency the contractor mentioned is the
one which will be producing these caps,
which differ only in color from caps this
nonprofit agency has successfully
produced for the Government. The
second nonprofit agency's only role in
the previous contract was to help the
first nonprofit agency after that agency
had fallen far behind in production. The
second nonprofit agency bore no
responsibility in the contract default.
The Government contracting activity
which purchases the caps has informed
the Committee that it considers the
nonprofit agency designated by the
Committee capable of producing the
caps, and it confirmed this assessment
when asked to react to the commenting
contractor's assertions on this point.
Consequently, the Committee believes
that this addition to the Procurement
List will successfully create
considerable employment for people
with severe disabilities.

After consideration of the material
presented to it concerning capability of
qualified nonprofit agencies to provide
the commodities and services and
impact of the additions on the current
or most recent contractors, the
Committee has determined that the
commodities and services listed below

are suitable for procurement by the
Federal Government under 41 U.S.C.
46-48c and 41 CFR 51-2.4.

I certify that the following action will
not have a significant impact on a
substantial number of small entities.
The major factors considered for this
certification were:

1. The action will not result in any
additional reporting, recordkeeping or
other compliance requirements for small
entities other than the small
organizations that will furnish the
commodities and services to the
Government.

2. The action will not have a severe
economic impact on current contractors
for the commodities and services.

3. The action will result in
authorizing small entities to furnish the
commodities and services to the
Government.

4. There are no known regulatory
alternatives which would accomplish
the objectives of the Javits-Wagner-
O'Day Act (41 U.S.C. 46-48c) in
connection with the commodities and
services proposed for addition to the
Procurement List.

Accordingly, the following
commodities and services are hereby

Deletions

I certify that the following action will
 not have a significant impact on a
 substantial number of small entities.
 The major factors considered for this
 certification were:

1. The action will not result in any
 additional reporting, recordkeeping or
 other compliance requirements for small
 entities.

2. The action will not have a severe
 economic impact on future contractors
 for the commodities.

3. The action will result in
 authorizing small entities to furnish the
 commodities to the Government.

4. There are no known regulatory
 alternatives which would accomplish
 the objectives of the Javits-Wagner-
 O'Day Act (41 U.S.C. 46-48c) in
 connection with the commodities
 deleted from the Procurement List.

After consideration of the relevant
 matter presented, the Committee has
 determined that the commodities listed
 below are no longer suitable for
 procurement by the Federal Government
 under 41 U.S.C. 46-48c and 41 CFR 51-
 2.4.

Accordingly, the following
 commodities are hereby deleted from
 the Procurement List:

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Docket 83-97]

Foreign-Trade Zone 219—Yuma, AZ; Application for Subzone Status; Meadowcraft, Inc. (Wrought Iron Patio Furniture), Yuma County, Arizona

An application has been submitted to
 the Foreign-Trade Zones Board (the
 Board) by the Yuma County Airport
 Authority, Inc., grantee of FTZ 219,
 requesting subzone status for the
 finishing and distribution (non-
 manufacturing) facility of Meadowcraft,
 Inc. (Meadowcraft), located in Yuma
 County, Arizona. The application was
 submitted pursuant to the provisions of
 the Foreign-Trade Zones Act, as
 amended (19 U.S.C. 81a-81u), and the
 regulations of the Board (15 CFR part
 400). It was formally filed on December
 16, 1997.

The facility (600,000 sq. ft. on 75
 acres; 100 employees) is located at the
 intersection of Highway 95 and County
 21st Street, Yuma County,
 approximately three miles north of the
 U.S.-Mexico border. It will be used to
 finish and distribute wrought iron patio
 furniture, which is imported from
 Meadowcraft's maquiladora facility in

San Luis, Mexico. The finishing
 primarily involves priming and painting
 the imported furniture. Glass table tops,
 some of which are sourced from abroad,
 will be added to certain furniture
 pieces. No manufacturing or processing
 authority is being sought. The Yuma
 County facility will be used to distribute
 products in the Western U.S. and
 abroad.

It appears that the main purpose for
 FTZ procedures is to help Meadowcraft
 to implement a more cost-effective
 system for handling Customs
 requirements (including reduced
 brokerage fees and Customs
 merchandise processing fees). In
 addition, Meadowcraft intends to apply
 to Customs for direct delivery of
 merchandise, which will improve the
 company's efficiency. FTZ status may
 also make a site eligible for benefits
 provided under state/local programs.

The application indicates that the
 savings from zone procedures would
 help improve the facility's international
 competitiveness.

In accordance with the Board's
 regulations, a member of the FTZ staff
 has been appointed examiner to
 investigate the application and report to
 the Board.

Public comment is invited from
 interested parties. Submissions (original
 and 3 copies) shall be addressed to the
 Board's Executive Secretary at the
 address below. The closing period for
 their receipt is March 6, 1998. Rebuttal
 comments in response to material
 submitted during the foregoing period
 may be submitted during the subsequent
 15-day period (to March 23, 1998).

A copy of the application and
 accompanying exhibits will be available
 for public inspection at each of the
 following locations:

Office of the Executive Secretary,
 Foreign-Trade Zones Board, Room
 3716, U.S. Department of Commerce,
 14th & Pennsylvania Avenue, NW,
 Washington, DC 20230.

U.S. Customs Port of Entry—San Luis,
 Highway 95 and International Border,
 San Luis, Arizona 85364.

Dated: December 19, 1997.

John J. Da Ponte, Jr.,
Executive Secretary.
