National Fuel Gas Company (70-9149)

Notice of Proposal to Issue Common and Preferred Stock; Order Authorizing Solicitation of Proxies

National Fuel Gas Company ("NFG"), 10 Lafayette Square, Buffalo, New York 14201, a gas registered holding company, has filed a declaration under sections 6(a), 7 and 12(e) of the Public Utility Holding Company Act of 1935, as amended ("Act"), and rules 62 and 65 under the Act relating to proposed changes to its certificate of incorporation.

On December 11, 1997, the Board of Directors of NFG adopted resolutions to amend Article Fourth of NFG's Restated Certificate of Incorporation, as amended ("Certificate of Incorporation"), to: increase the number of authorized shares of common stock, \$1 par value ("Common Stock"), from 100,000,000 shares to 200,000,000 shares of Common Stock, eliminate NFG's existing 3,200,000 shares of authorized but unissued preferred stock, \$25 par value, and all related provisions in the Certificate of Incorporation¹ and authorize 10,000,000 shares, \$1 par value, of a new class of preferred stock ("New Preferred Stock"). NFG states that it has no present plans to issue New Preferred Stock or any material amount of additional shares of Common Stock.

NFG states that the New Preferred Stock will be issued in one or more series and with certain powers, designations, preferences and relative, participating, optional or other special rights and qualifications as the Board of Directors determines, in its discretion, without further action by the shareholders unless shareholder action is required by applicable law or stock exchange requirements. Issuances of New Preferred Stock will also be subject to then existing and applicable provisions of the Certificate of Incorporation.

NFG proposes to solicit proxies from its shareholders to approve amendments to NFG's Certificate of Incorporation required to effect these changes at the next annual shareholders meeting, scheduled for February 26, 1998. Accordingly, NFG requests that an order authorizing the solicitation of proxies be issued as soon as practicable under rule 62(d).

It appears to the Commission that NFG's declaration regarding the proposed solicitation of proxies should be permitted to become effective immediately.

It is ordered, under rule 62 under the Act, that the declaration regarding the proposed solicitation of proxies can become effective immediately, subject to the terms and conditions contained in rule 24 under the Act.

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,

Deputy Secretary.
