[Docket No. ER98-924-000]

Southern California Edison Company; Notice of Filing

December 31, 1997.

Take notice that on December 4, 1997, Southern California Edison Company (Edison), tendered for filing the Authorized Representatives' Procedures For Post-Restructuring Operations And Accounting (Procedures), and a Notice of Cancellation of various rate schedules with the City of Banning. The Procedures address issues relating to the operation of the Independent System Operator (ISO) and Power Exchange.

To the extent necessary, Edison seeks waiver of the 60 day prior notice requirement and requests that the Commission assign to the Procedures an effective date concurrent with the date the ISO assumes operational control of Edison's transmission facilities, which is expected to be January 1, 1998.

Copies of this filing were served upon the Public Utilities Commission of the State of California and all interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before January 12, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the

Commission and are available for public inspection.

[Docket No. ER98-1096-000]

Southern Company Services, Inc.; Notice of Filing

December 31, 1997.

Take notice that on December 15, 1997, Southern Company Services, Inc. (SCSI), acting on behalf of Alabama Power Company, Georgia Power Company, Gulf Power Company, Mississippi Power Company and Savannah Electric and Power Company (collectively referred to as Southern Company), submitted revised transmission service and ancillary service rates for use under its Open Access Transmission Tariff. Southern Company proposes to adopt a formula rate to develop charges for firm and non-firm point-to-point transmission service and the annual transmission revenue requirement for network integration transmission service. Southern Company also proposes to adopt revised rates for each of the six ancillary services made available under its Tariff.

Southern Company requests that the Commission consolidate Docket Nos. ER94-1348-000, ER95-1468-000, OA96-27-000 and this proceeding. Southern Company also suggests a possible resolution of these pending proceedings. Finally, Southern Company requests an effective date for its filing of January 1, 1998.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.W., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before January 13, 1998. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
