SUPPLEMENTARY INFORMATION:

I. Discussion of Proposed Additional Routine Use Necessitated by Pub. L. 104-193

Pursuant to Pub. L. 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, the Federal Labor Relations Authority (FLRA) will disclose data from its Pay, Leave and Travel Records system of records to the Office of Child Support Enforcement, Administration for Children and Families, Department of Health and Human Services, for use in the National Database of New Hires, part of the Federal Parent Locator Service (FPLS) and Federal Tax Offset System, DHHS/OSCE No. 09-90-0074. A description of the Federal Parent Locator Service may be found at 62 FR 51663 (October 2, 1997).

The FPLS is a computerized network through which states may request location information from federal and state agencies to find non-custodial parents and their employers for purposes of establishing paternity and securing support. On October 1, 1997, the FPLS was expanded to include the National Directory of New Hires, a database containing employment information on employees recently hired, quarterly wage data on private and public sector employees, and information on unemployment compensation benefits. On October 1, 1998, the FPLS will be expanded further to include a Federal Case Registry. The Federal Case Registry will contain abstracts on all participants involved in child support enforcement cases. When the Federal Case Registry is instituted, its files will be matched on an ongoing basis against the files in the National Directory of New Hires to determine if an employee is a participant in a child support case anywhere in the country.
