BILLING CODE 4310-55-M

31, 1997. The Ordinance provides for the regulation of the activities of the manufacture, distribution, sale, and consumption of liquor on reservation lands subject to the jurisdiction of the Prairie Band of Potawatomi

DATES: This Ordinance is effective January 9, 1998.

SUPPLEMENTAL INFORMATION: The Prairie Band of Potawatomi Tribal Council resolution numbered PBP-97-52 read as follows:

Liquor Control Ordinance of the Prairie Band of Potawatomi Reservation

Introduction

Title. This ordinance shall be known as the "Prairie Band Potawatomi Liquor Ordinance."

Authority. This ordinance is enacted pursuant to the Act of August 15, 1953, 67 Stat. 586, codified at 18 U.S.C. 1161, by the authority of the Prairie Band of Potawatomi Indian Tribal Council under The Constitution and Bylaws of the Prairie Band of Potawatomi Indians, Article V, Sections 1(g) and (l).

Purpose. The purpose of this ordinance is to regulate and control the possession and sale of liquor within the Prairie Band of Potawatomi Reservation. The enactment of a tribal ordinance governing liquor possession and sale on the Prairie Band of Potawatomi Reservation will increase the ability of the tribal government to control the sale, distribution and possession of liquor and will provide an important source of revenue for the continued operation and

strengthening of the tribal government and the delivery of tribal government services.

Effective date. This ordinance shall be effective on certification by the Secretary of the Interior and its publication in the **Federal Register**.

Article I. Declaration of Public Policy and Purpose.

(1) The introduction, possession, and sale of liquor on the Prairie Band of Potawatomi Reservation is a matter of special concern to the Prairie Band of Potawatomi.

(2) Federal Law currently prohibits the introduction of liquor into Indian Country (18 U.S.C. 1154 and other statutes), except as provided therein and expressly delegates to the tribes the decision regarding when and to what extent liquor transactions shall be permitted (18 U.S.C. 1161).

(3) The Prairie Band of Potawatomi Tribal Council finds that a complete ban on liquor within the Prairie Band of Potawatomi Reservation is ineffective and unrealistic. However, it recognizes that a need still exists for strict regulation and control over liquor transactions within the Prairie Band of Potawatomi Reservation, because of the many potential problems associated with the unregulated or inadequately regulated sale, possession, distribution, and consumption of liquor. The Prairie Band of Potawatomi Tribal Council finds that exclusive tribal control and regulation of liquor is necessary to achieve maximum economic benefit to the Tribe, to protect the health and welfare of tribal members, and to address specific concerns relating to alcohol use on the Prairie Band of Potawatomi Reservation.
