

SUPPLEMENT INFORMATION:

Purpose of the Meeting

The purpose of this meeting is to (1) make comments and recommendations on the *Strategic Plan for International Collaborations on Fusion Science and Technology Research*; and (2) begin the FESAC review of the Fusion Materials research program.

Tentative Agenda

DOE Perspective by Martha Krebs
Discussion of Strategic Plan for International Collaborations
Public Comment
Presentations: Fusion Material Research
Prepare Letter to DOE

Public Participation

The meeting is open to the public. Written statements may be filed with the Committee either before or after the meeting. Members of the public who wish to make oral statements pertaining to agenda items should contact Albert L. Opdenaker at 301-903-8584 (fax) or albert.opdenaker@mailgw.er.doe.gov (e-mail). Requests to make oral statements must be received 5 days prior to the meeting; reasonable provision will be made to include the statement in the agenda. The Chairperson of the Committee is empowered to conduct the meeting in a fashion that will facilitate the orderly conduct of business. This notice is being published less than 15 days before the date of the meeting due to programmatic issues that had to be resolved prior to publication.

Minutes:

The minutes of this meeting will be available for public review and copying within 30 days at the Freedom of Information Public Reading Room, I-190, Forrestal Building, 1000 Independence Avenue, S.W., Washington, DC, between 9:00 a.m. and 4:00 p.m., Monday through Friday, except Federal holidays.

Issued at Washington, DC on January 7, 1998.

Rachel Samuel,

Deputy Advisory Committee, Management Officer.

BILLING CODE 6450-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. RP98-102-000]

ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

January 6, 1998.

Take notice that on December 31, 1997, ANR Pipeline Company (ANR) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets to become effective January 1, 1998:

Thirtieth Revised Sheet No. 8
Thirtieth Revised Sheet No. 9
Twenty-ninth Revised Sheet No. 13
Thirty-fourth Revised Sheet No. 18

ANR states that the above-referenced tariff sheets are being filed to commence recovery of approximately \$2.2 million of additional pricing differential (PD) and carrying costs that were incurred by ANR during the period June 1, 1997 through October 31, 1997 as a result of the implementation of Order Nos. 636, et seq. ANR proposes a reservation fee surcharge applicable to its Part 284 firm transportation customers to recover ninety percent (90%) of the PD costs, and an adjustment to the maximum base tariff rates applicable to Rate Schedule ITS and overrun service rendered pursuant to Rate Schedule FTS-2, so as to recover the remaining ten percent (10%). ANR has requested that the Commission accept the tendered sheets to become effective January 1, 1998. ANR advises that the proposed charges would increase its PD surcharge from \$0.196 to \$0.228 per Dth per month.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Linwood A. Watson, Jr.,

Acting Secretary.

[Docket No. RP98-107-000]

ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

January 6, 1998.

Take notice that on December 31, 1997, ANR Pipeline Company (ANR), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, and Original Volume No. 2, the following tariff sheets proposed to be effective February 1, 1998:

Sixth Revised Sheet No. 2
Twentieth Revised Sheet No. 17
First Revised Sheet No. 202
Third Revised Sheet No. 210
Original Volume No. 2 Fourteenth Revised Sheet No. 14

ANR states that the referenced tariff sheets are being submitted as part of ANR's Ninth Annual Reconciliation of buyout buydown costs being recovered by means as Volumetric Buyout Buydown Surcharges contained in Docket Nos. RP91-33, et al., and RP96-328. The proposed charges are designed to recover \$21.7 million less on an annual basis than the currently effective volumetric surcharges, due to lower interest on decreasing principal balances. The surcharges will expire in April, 1998 and August, 1998.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426 in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this application are on file with the Commission and are available for public inspection in the Public Reference Room.

Linwood A. Watson, Jr.,

Acting Secretary.
