SUPPLEMENTARY INFORMATION:

I. Nature and Conduct of Hearing

As set out in the notice published in the **Federal Register** on November 20, 1997, the objective of the NAO's review of the submission is to gather information to better understand and publicly report on the Government of Mexico's promotion of, compliance with, and effective enforcement of, its labor law through appropriate government action, as set out in Article 3(1) of the NAALC, and on the steps the Government of Mexico has taken to ensure access to tribunals for the enforcement of labor law and recourse to procedures under which labor rights are protected in accordance with Articles 4 and 5 of the NAALC.

The hearing will be conducted by the Secretary of the NAO or the Secretary's designee. It will be open to the public. All proceedings will be conducted in English, with simultaneous translation in English and Spanish provided. The public files for the submission, including written statements, briefs, and requests to present oral testimony, will be made a part of the appropriate hearing record. The public files will also be available for inspection at the NAO prior to the hearing.

The hearing will be transcribed. A transcript of the proceeding will be made available for inspection, as provided for in Section E of the procedural guidelines, or may be purchased from the reporting company.

Persons with disabilities should contact the Secretary of the NAO no later than February 12, 1998 if special accommodations are needed.

II. Written Statements or Brief and Requests to Present Oral Testimony

Written statements or briefs shall provide a description of the information to be presented or position taken and shall be legibly typed or printed. Requests to present oral testimony shall include the name, address, and

telephone number of the witness, the organization represented, if any, and any other information pertinent to the request. Five copies of a statement or brief and a single copy of a request to present oral testimony shall be submitted to the NAO at the time of filing.

No request to present oral testimony will be considered unless accompanied by a written statement or brief. A request to present oral testimony may be denied if the written statement or brief suggests that the information sought to be provided is unrelated to the review of the submission or for other appropriate reasons. The NAO will notify each requester of the disposition of the request to present oral testimony.

In presenting testimony, the witness should summarize the written statement or brief, may supplement the written statement or brief, with relevant information, and should be prepared to answer questions from the Secretary of the NAO or the Secretary's designee. Oral testimony will ordinarily be limited to a ten minute presentation, not including the time for questions. Persons desiring more than ten minutes for their presentation should so state in the request, setting out reasons why additional time is necessary.

The requirements relating to the submission of written statements or briefs and requests to present oral testimony may be waived by the Secretary of the NAO for reasons of equity and public interest.

Signed at Washington, DC on January 8, 1998.

Secretary, U.S. National Administrative Office.
