Realty Action; Proposed Noncompetitive Lease

The following described parcel of public land is being considered for a noncompetitive lease under the authority of Section 302 of the Federal Land Policy and Management Act of 1976, as amended (43 U.S.C. 1732), at not less than the appraised fair market value:

Williamette Meridian, Oregon

T. 5 S., R. 4 E.,

Sec. 19, a portion of the SW¹/₄NE¹/₄

The above-described parcel contains approximately 40 acres in Clackamas County. The external boundary of the area will be surveyed and a metes and bounds description used for the lease.

The purpose of the lease would be to accommodate a proposed shooting range with three firing lanes and appurtenant facilities. Since there is no known interest to develop the shooting range by anyone else, the land would be offered for lease without competition.

The above-described parcel is being considered for lease to the Molalla Rifle Club, an Oregon non-profit corporation. The lease would be issued for a term of 10 years, with a right to renew the lease for additional years.

Detailed information concerning this proposal, including the environmental assessment, is available for review at the Salem District Office, 1717 Fabry Road SE, Salem, Oregon 97306.

For a period of 45 days from the date of this notice, interested parties may submit comments regarding the proposed exchange to the Cascades Area Manager at the above address. Any adverse comments will be reviewed by the Salem District Manager, who may sustain, vacate, or modify this decision.

Richard C. Prather,

Cascades Area Manager.
