

Claras, we made no LOT adjustment for comparisons to EP.

Finally, with respect to Camanchaca, we did not perform a level-of-trade analysis because this company does not have a viable comparison market.

Currency Conversions

We made currency conversions in accordance with section 773A of the Act. The Department's preferred source for daily exchange rates is the Federal Reserve Bank. The Federal Reserve Bank publishes daily exchange rates for Japanese yen, but not for Chilean pesos. For purposes of the preliminary results, we made conversions of figures denominated in Japanese yen based on the official exchange rates published by the Federal Reserve. For conversions of figures involving Chilean pesos, we relied instead on daily exchange rates published by Dow Jones News/Retrieval on-line system.

Verification

In accordance with section 782(i) of the Act, we intend to verify information determined to be acceptable for use in making our final determination.

Suspension of Liquidation

In accordance with section 733(d) of the Act, we are directing the Customs Service to suspend liquidation of all entries of fresh Atlantic salmon from Chile, except for subject merchandise produced and exported by Camanchaca, Mares Australes, and Marine Harvest (which have *de minimis* weighted-average margins), that are entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. We are also instructing the Customs Service to require a cash deposit or the posting of a bond equal to the weighted-average amount by which the NV exceeds the EP or CEP, as indicated in the chart below. These instructions suspending liquidation will remain in effect until further notice. We note that, as stated in the *Case History* section of the notice above, we have extended the provisional measures from four months to no more than six months.

The weighted-average dumping margins are as follows:

Exporter/Manufacturer	Weighted-average margin percentage
Aguas Claras	3.31
Eicosal	8.27
Camanchaca	0.18
Mares Australes	1.21
Marine Harvest	1.87

Exporter/Manufacturer	Weighted-average margin percentage
All Others	5.79

Section 735(c)(5)(A) of the Act directs the Department to exclude all zero and *de minimis* weighted-average dumping margins, as well as dumping margins determined entirely under facts available under section 776 of the Act, from the calculation of the "all others" rate. We have excluded the *de minimis* dumping margins for Camanchaca, Mares Australes, and Marine Harvest from the calculation of the "all others" rate. No dumping margins were based entirely on facts available.

ITC Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our determination. If our final antidumping determination is affirmative, the ITC will determine whether these imports are materially injuring, or threaten material injury to, the U.S. industry. The deadline for that ITC determination would be the later of 120 days after the date of this preliminary determination or 45 days after the date of our final determination.

Public Comment

Case briefs must be submitted to the Assistant Secretary for Import Administration no later than April 13, 1998. Rebuttal briefs will be due no later than April 20, 1998. A list of authorities used, a table of contents, and an executive summary of issues should accompany any briefs submitted to the Department. Executive summaries should be limited to five pages total, including footnotes.

Section 774 of the Act provides that the Department will hold a hearing to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs, provided that such a hearing is requested by any interested party. If a request for a hearing is made, the hearing will tentatively be held on Monday, April 28, 1998, at 8:30 A.M., at the U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230. Parties should confirm by telephone the time, date, and place of the hearing 48 hours before the scheduled time.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request within ten days of the publication of this notice. Requests should specify the number of participants and provide a list of the issues to be discussed. Oral

presentations will be limited to issues raised in the briefs.

If this investigation proceeds normally, we will make our final determination no later than 135 days after the date of publication of this notice in the **Federal Register**.

This determination is published pursuant to section 733(f) of the Act.
