

conflict with State Fish and Game Regulations.

This prohibition is designed to protect raptor habitat. The Table Mountain ACEC specifically noted the habitat of raptor species and they were noteworthy in the designating of the ACEC. The ACEC Plan's goals are to maintain suitability of raptor habitat throughout the ACEC. Additionally, the Eastern San Diego County Management Framework Plan provides for protecting habitat for sensitive wildlife species with emphasis on raptors.

Signs will be posted in the area restricted and a map showing the exact location of the restricted area will be available at the El Centro Resource Area office in El Centro, CA 92243.

Any person who knowingly and willfully violates these prohibitions may be subject to a \$1,000.00 fine or imprisonment for not longer than 12 months, or both, under authority of 43 CFR 8365.1-6 Supplementary Rules.
