SUPPLEMENTARY INFORMATION

Homeless Veterans Reintegration Project Solicitation

I. Purpose

The U.S. Department of Labor (DOL), Veterans' Employment and Training Service (VETS) is requesting grant applications for the provision of employment and training services in accordance with Title VII, Subtitle C, Section 738 of the Stewart B. McKinney Homeless Assistance Act (MHAA), 42 U.S.C. 11448. These instructions contain general program information, requirements and forms for application for funds to operate a Homeless Veterans Reintegration Project (HVRP).

II. Background

The Stewart B. McKinney Homeless Assistance Act of 1987, enacted on July 22, 1987, under Title VII, Subtitle C, Section 738 provides that "The Secretary shall conduct, directly or

through grant or contract, such programs as the Secretary determines appropriate to *expedite the reintegration of homeless veterans into the labor force.*" This program was reauthorized under Section 621 of the McKinney Homeless Assistance Amendments Act of 1990 (Public Law 101-645) for an additional three years, i.e., through FY 1993. Under the Homeless Veterans Comprehensive Service Programs Act of 1992 (Public Law 102-590—enacted on November 10, 1992) the Homeless Veterans Reintegration Project was reauthorized through Fiscal Year 1995. However, the program was rescinded in FY 1995. Public Law 104-275, dated October 9, 1996, was amended to reauthorize the program through FY 1998. Public Laws 105-41 and 105-114, enacted in 1997, extend the program through FY 1999.

The Homeless Veterans Reintegration Project was the first nationwide Federal program that focused on placing homeless veterans into jobs. In accordance with the MHAA, the Assistant Secretary for Veterans' Employment and Training (ASVET) is making approximately \$2.25 million of the funds available to award grants for HVRPs in selected cities in FY 1998 under this competition. A separate competition for a small number of demonstration grants to operate in rural areas will be announced separately within a short time. Both types of projects, urban and rural, have provided valuable information on approaches that work in the different environments.

III. Application Process

A. Potential Jurisdictions to be Served

Due to the demonstration nature of the Act, the amount of funds available, and the emphasis on establishing or strengthening existing linkage with other recipients of funds under the MHAA, the only potential jurisdictions which will be served through this competition for HVRPs in FY 1998 are the metropolitan areas of the 75 U.S. cities largest in population and the city of San Juan, Puerto Rico. All potential HVRP jurisdictions are listed in Appendix E.

B. Eligible Applicants

Applications for funds will be accepted from State and local public agencies, Private Industry Councils, and nonprofit organizations as follows:

1. Private Industry Councils (PICS) as defined in Title I, Section 102 of the Job Training Partnership Act (JTPA), Public Law 97-300, are eligible applicants, as well as State and local public agencies. "Local public agency" refers to any

public agency of a general purpose political subdivision of a State which has the power to levy taxes and spend funds, as well as general corporate and police powers. (This typically refers to cities and counties). A State agency may propose in its application to serve one or more of the potential jurisdictions located in its State. This does not preclude a city or county agency from submitting an application to serve its own jurisdiction.

Applicants are encouraged to utilize, through subgrants, experienced public agencies, private nonprofit organizations, and private businesses which have an understanding of the unemployment and homeless problems of veterans, a familiarity with the area to be served, and the capability to effectively provide the necessary services.

2. Also eligible to apply are nonprofit organizations who have operated an HVRP or similar employment and training program for the homeless or veterans; have proven capacity to manage Federal grants; and have or will provide the necessary linkages with other service providers. Nonprofit organizations will be required to submit with their application recent (within one year) financial audit statements that attest to the financial responsibility of the organization.

Entities described in Section 501(c)4 of the Internal Revenue Code that engage in lobbying activities are not eligible to receive funds under this announcement. The Lobbying Disclosure Act of 1995, Public Law No. 104-65, 109 Stat. 691, prohibits the award of federal funds to these entities if they engage in lobbying activities.

C. Funding Levels

The total amount of funds available for this solicitation is \$2.25 million. It is anticipated that up to 20 awards will be made under this solicitation. Awards are expected to range from \$100,000 to \$125,000 with an average of \$112,500. The Federal government reserves the right to negotiate the amounts to be awarded under this competition. *Please be advised that requests exceeding this range by 15% or more will be considered non-responsive.*

D. Period of Performance

The period of performance will be for one year from date of award. It is expected that successful applicants will commence program operations under this solicitation on or before March 31, 1998. Actual start dates will be negotiated with each successful applicant.

E. Second Year Option

As stated in Section II of this Part, the Homeless Veterans Reintegration Project was reauthorized by statute through FY 1998 only. Should there be action by Congress to reauthorize HVRP beyond that time and should funds be appropriated for this purpose, a second year option may be considered. The Government does not, however, guarantee an option year for any awardee.

The grantees' performance during the first period of operations will be taken into consideration as follows:

1. By the end of the third quarter, has the grantee achieved at least 60% of the first year total goals for Federal expenditures, enrollments, and placements?

2. Has the grantee met 85% of goals for Federal expenditures, enrollments and placements for the year if planned activity is NOT evenly distributed in each quarter?

All instructions for modifications and announcement of fund availability will be issued at a later date. Please note that the Government does reserve its right to compete any subsequent funds appropriated for this purpose in lieu of an option year.

F. Late Proposals

The grant application package must be received at the designated place by the date and time specified or it will not be considered. Any application received at the Office of Procurement Services at 4:45 pm EST, February 23, 1998, will not be considered unless it is received before the award is made and:

1. it was sent by registered or certified mail not later than the fifth calendar day before February 23, 1998;

2. it is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the U.S. Department of Labor at the address indicated; or

3. it was sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5:00 pm at the place of mailing two (2) working days, excluding weekends and Federal holidays, prior to February 23, 1998.

The only acceptable evidence to establish the date of mailing of a late application sent by registered or certified mail is the U.S. Postal Service postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. If the postmark is not legible, an application received after the above closing time and date shall be processed as if mailed late. "Postmark" means a printed, stamped or otherwise

placed impression (*not* a postage meter machine impression) that is readily identifiable without further action as having been applied and affixed by an employee of the U.S. Postal Service on the date of mailing. Therefore applicants should request that the postal clerk place a legible hand cancellation "bull's-eye" postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the date of mailing of a late application sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee is the date entered by the Post Office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined above. Therefore, applicants should request that the postal clerk place a legible hand cancellation "bull's-eye" postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the time of receipt at the U.S. Department of Labor is the date/time stamp of the Procurement Services Center on the application wrapper or other documentary evidence or receipt maintained by that office. Applications sent by telegram or facsimile (FAX) will *not* be accepted.

G. Submission of Proposal

A cover letter, and an original and three (3) copies of the proposal shall be submitted. The proposal shall consist of two (2) separate and distinct parts:

Part I—Technical Proposal shall consist of a narrative proposal that demonstrates the applicant's knowledge of the need for this particular grant program, its understanding of the services and activities proposed to alleviate the need and its capabilities to accomplish the expected outcomes of the proposed project design. The technical proposal shall consist of a narrative not to exceed fifteen (15) pages double-spaced, typewritten on one side of the paper only. Charts and exhibits are not counted against the page limit. Applicants should be responsive to the Rating Criteria contained in Section VI and address all of the rating factors noted as thoroughly as possible in the narrative. The following format is strongly recommended:

1. Need for the project: the applicant should identify the geographical area to be served and provide an estimate of the number of homeless veterans and their needs, poverty and unemployment rates in the area, and gaps in the local community infrastructure the project would fulfill in addressing the

employment and other barriers of the targeted veterans. Include the outlook for job opportunities in the service area.

2. Approach or strategy to increase employment and job retention: The applicant should describe the specific supportive services and employment and training services to be provided under this grant and the sequence or flow of such services. Participant flow charts may be provided. Include a description of the relationship with other employment and training programs such as disabled Veterans' Outreach Program (DVOP) and the Local Veterans' Employment Representative (LVER) program, and programs under the Job Training Partnership Act. Please include a plan for followup of participants who entered employment at age 30 and 90 days and the capacity to assist the Department of Labor in one-year and/or multi-year followup efforts. (See discussion on results in Section V. D.) Please include the chart of proposed performance goals and planned expenditures listed in Appendix D. Although the form itself is not mandatory, the information called for in Appendix D must be provided by the applicant.

3. Linkages with other providers of employment and training services to the homeless and to veterans: Describe the linkages this program will have with other providers of services to veterans and to the homeless outside of the HVRP grant. List the types of services provided by each. Note the type of agreement in place if applicable.

Linkages with the workforce development system [inclusive of JTPA and State Employment Security Agencies (SESAs)] should be delineated. Describe any linkages with Department of Housing and Urban Development (HUD) and Department of Veterans Affairs resources and programs for the homeless. Indicate how the applicant will coordinate with any "continuum of care" efforts for the homeless among agencies in the community.

4. Organizational capability in providing required program activities: The applicant's relevant current or prior experience in operating employment and training programs should be delineated. Provide information denoting outcomes of past programs in terms of enrollments and placements. Applicants who have operated an HVRP program, or more recent Homeless Veterans Employment and Training (HVET) program should include final or most recent technical performance reports. (This information is subject to verification by the Veterans' Employment and Training Service.) Provide evidence of key staff capability.

Non-profit organizations should submit evidence of satisfactory financial management capability including recent financial and/or audit statements.

5. Proposed housing strategy for homeless veterans: Describe how housing resources for homeless veterans may be obtained or accessed. These resources may be from linkages or sources other than the HVRP grant such as HUD, community housing resources, DVA leasing or other programs. The applicant should explain whether HVRP resources will be used and why this is necessary.

Part II—Cost Proposal shall contain the Standard Form (SF) 424, "Application for Federal Assistance," and the Budget Information Sheet in Appendix B. In addition the budget shall include—on a separate page(s)—a detailed cost break-out of each line item on the Budget Information Sheet. Please label this page or pages the "Budget Narrative." Also to be included in this Part is the Assurance and Certification Page, Appendix C. Copies of all required forms with instructions for completion are provided as appendices to this solicitation. The Catalog of Federal Domestic Assistance number for this program is 17.805, which should be entered on the SF 424, Block 10. Please show leveraged resources/matching funds and/or the value of in-kind contributions in Section B of the Budget Information sheet.

Budget Narrative Information. As an attachment to the Budget Information Sheet, the applicant must provide at a minimum, and on separate sheet(s), the following information:

(a) A breakout of all personnel costs by position, title, salary rates and percent of time of each position to be devoted to the proposed project (including subgrantees);

(b) An explanation and breakout of extraordinary fringe benefit rates and associated charges (i.e., rates exceeding 35% of salaries and wages);

(c) An explanation of the purpose and composition of, and method used to derive the costs of each of the following: travel, equipment, supplies, subgrants/contracts and any other costs. The applicant should include costs of any required travel described in this Solicitation. Mileage charges shall not exceed 31 cents per mile;

(d) Description/specification of and justification for equipment purchases, if any. Tangible, non-expendable, personal property having a useful life of more than one year and a unit acquisition cost of \$5,000 or more per unit must be specifically identified; and

(e) Identification of all sources of leveraged or matching funds and an

explanation of the derivation of the value of matching/in-kind Services.

IV. Participant Eligibility

To be eligible for participation under HVRP, an individual must be homeless and a veteran defined as follows:

A. The term "homeless or homeless individual" includes persons who lack a fixed, regular, and adequate nighttime residence. It also includes persons whose primary nighttime residence is either a supervised public or private shelter designed to provide temporary living accommodations; an institution that provides a temporary residence for individuals intended to be institutionalized; or a private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. [Reference 42 U.S.C. 11302].

B. The term "veteran" means a person who served in the active military, naval, or air service, and who was discharged or released therefrom under conditions other than dishonorable. [Reference 38 USC 101(2)]

V. Project Summary

A. Program Concept and Emphasis

The HVRP grants under Section 738 of the Stewart B. McKinney Homeless Assistance Act are intended to address dual objectives:

Provide services to assist in reintegrating homeless veterans into the labor force; and stimulate the development of effective service delivery systems that will seek to address the complex problems facing homeless veterans. These programs are designed to be flexible in addressing the universal as well as local or regional problems barring homeless veterans from the workforce. The program in FY 1998 will continue to strengthen the provision of comprehensive services through a case management approach, the attainment of housing resources for veterans entering the labor force, and strategies for employment and retention.

B. Required Features

1. The HVRP has since its inception featured an outreach component consisting of veterans who have experienced homelessness. In recent years this requirement was modified to allow the projects to utilize formerly homeless veterans in other positions where there is direct client contact if outreach was not needed extensively, such as counseling, peer coaching, intake and follow up. This requirement applies to projects funded under this solicitation.

2. Projects will be required to show linkages with other programs and

services which provide support to homeless veterans. Coordination with the Disabled Veterans' Outreach Program (DVOP) Specialists in the jurisdiction is particularly encouraged.

3. Projects will be "employment focused." That is, they will be directed towards: (a) increasing the employability of homeless veterans through providing for or arranging for the provision of services which will enable them to work; and (b) matching homeless veterans with potential employers.

C. Scope of Program Design

The HVRP project design should provide or arrange for the following services:

- Outreach, intake, assessment, counseling and employment services. Outreach should, to the degree practical, be provided at shelters, day centers, soup kitchens, and other programs for the homeless. Program staff providing outreach services are to be veterans who have experienced homelessness.
- Coordination with veterans'; services programs and organizations such as:
 - Disabled Veterans'; Outreach Program (DVOP) Specialists and Local Veterans' Employment Representatives (LVERs) in the State Employment Security/Job Service Agencies (SESAs) or in the newly instituted workforce development system's One-Stop Centers, JTPA Title IV, Part C (IV-C) Veterans' Employment Program
 - Department of Veterans' Affairs (DVA) services, including its Health Care for Homeless Veterans, Domiciliary and other programs, including those offering transitional housing
 - Veteran service organizations such as The American Legion, Disabled American Veterans, and the Veterans of Foreign Wars, Vietnam Veterans of America, and the American Veterans (AMVETS)

Referral to necessary treatment services, rehabilitative services, and counseling including, but not limited to:

- Alcohol and drug
- Medical
- Post Traumatic Stress Disorder
- Mental Health
- Coordinating with MHAA Title VI programs for health care for the homeless

Referral to housing assistance provided by:

- Local shelters
- Federal Emergency Management Administration (FEMA) food and shelter programs

- Transitional housing programs and single room occupancy housing programs funded under MHAA Title IV
- Permanent housing programs for the handicapped homeless funded under MHAA Title IV
- Department of Veterans' Affairs programs that provide for leasing or sale of acquired homes to homeless providers
- Transitional housing leased by HVRP funds (HVRP funds cannot be used to purchase housing)
- Employment and training services such as:
 - Basic skills instruction
 - Basic literacy instruction
 - Remedial education activities
 - Job search activities
 - Job counseling
 - Job preparatory training, including résumé writing and interviewing skills
 - Subsidized trial employment (Work Experience)
 - On-the-Job Training
 - Job placement in unsubsidized employment
 - Placement followup services
 - Services provided under JTPA Program Titles

D. Results-Oriented Model

Based on past experience of grantees working with this target group, a workable program model evolved which is presented for consideration by prospective applicants. No model is mandatory, and the applicant should design a program that is responsive to local needs, but will carry out the objectives of the HVRP to successfully reintegrate homeless veterans into the workforce.

With the advent of implementing the Government Performance and Results Act (GPRA), Congress and the public are looking for results rather than process. While entering employment is a viable outcome, it will be necessary to measure results over a longer term to determine the success of programs. The following program discussion emphasizes that followup is an integral program component.

The first phase of activity consists of the level of outreach that is necessary in the community to reach veterans who are homeless. This may also include establishing contact with other agencies that encounter homeless veterans such as shelters, soup kitchens and other facilities. An assessment should be made of the supportive and social rehabilitation needs of the client and referral may take place to services such as drug or alcohol treatment or

temporary shelter. When the individual is stabilized, the assessment should focus on the employability of the individual and they are enrolled into the program if they would benefit from pre-employment preparation such as résumé writing, job search workshops, related counseling and case management, and initial entry into the job market through temporary jobs, sheltered work environments, or entry into classroom or on-the-job training. Such services should also be noted in an Employability Development Plan so that successful completion of the plan may be monitored by the staff.

Entry into full-time employment or a specific job training program should follow in keeping with the objective of HVRP to bring the participant closer to self-sufficiency. Transitional housing may assist the participant at this stage or even earlier. Job development is a crucial part of the employability process. Wherever possible, DVOP and LVER staff should be utilized for job development and placement activities for veterans who are ready to enter employment or who are in need of intensive case management services. Many of these staff have received training in case management at the National Veterans' Training Institution and have as a priority of focus, assisting those most at a disadvantage in the labor market. VETS urges working hand-in-hand with DVOP/LVER staff to achieve economies of resources.

Followup to determine if the veteran is in the same or similar job at the 30 day period after entering employment is required and important in keeping contact with the veterans and so that assistance in keeping the job may be provided. The 90 day followup is fundamental to assessing the results of the program interventions. Grantees should be careful to budget for this activity so that followup can and will occur for those placed at or near the end of the grant period. Such results will be reported in the final technical performance report.

VETS emphasizes in its Strategic Plan to implement GPRA that suitable outcomes involve careers, not just jobs. Successful results are achieved when the veteran is in the same or similar job after one or more years. Towards that end, VETS solicits the cooperation of successful applicants in retaining participant information pertinent to a longitudinal followup survey, i.e., at least for one year after the grant period ends. Retention of records will be reflected in the Special Provisions at time of award.

E. Related HVRP Program Development Activities

1. Community Awareness Activities

In order to promote linkages between the HVRP program and local service providers (and thereby eliminate gaps or duplication in services and enhance provision of assistance to participants), the grantee must provide project orientation and/or service awareness activities that it determines are the most feasible for the types of providers listed below. Project orientation workshops conducted by HVRP grantees have been an effective means of sharing information and revealing the availability of other services; they are encouraged but not mandatory. Rather, the grantee will have the flexibility to attend service provider meetings, seminars, conferences, to outstation staff, to develop individual service contracts, and to involve other agencies in program planning. This list is not exhaustive. The grantee will be responsible for providing appropriate awareness, information sharing, and orientation activities to the following:

a. *Providers of hands-on services to the homeless*, such as shelter and soup-kitchen operators, to make them fully aware of services available to homeless veterans to make them job-ready and place them in jobs.

b. *Federal, State and local entitlement services* such as the Social Security Administration, Department of Veterans' Affairs (DVA), State Employment Security Agencies (SESAs) and their local Job Service offices, One-Stop Centers (which integrate JTPA, labor exchange and other employment and social services), detoxification facilities, etc., to familiarize them with the nature and needs of homeless veterans.

c. *Civic and private sector groups*, and especially veterans' service organizations, to describe homeless veterans and their needs.

2. Stand Down Support

A "Stand Down" as it relates to homeless veterans is an event held in a locality usually for three days where services are provided to homeless veterans along with shelter, meals, clothing and medical attention. For the most part this type of event is a volunteer effort which is organized within a community and brings service providers such as the DVA, Disabled Veterans Outreach Program Specialists, Local Veterans' Employment Representatives from the State Employment Service Agencies, veteran service organization, military personnel, civic leaders, and a variety of other

interested persons and organizations. Many services are provided on site with referrals also made for continued assistance after the event. This can often be the catalyst that enables the homeless veterans to get back into mainstream society. The Department of Labor has supported replication of this event. Many such exercises have been held throughout the nation. In areas where an HVRP is operating, the grantees are encouraged to participate fully and offer their services for any planned Stand Down event. Towards this end, up to \$5,000 of the currently requested HVRP MHAA grant funds may be used to supplement the Stand Down effort where funds are not otherwise available and should be reflected in the budget and budget narrative.

VI. Rating Criteria for Award

Applications will be reviewed by a DOL panel using the point scoring system specified below. Applications will be ranked based on the score assigned by the panel after careful evaluation by each panel member. The ranking will be the primary basis to identify approximately 20 applicants as potential grantees. Although the Government reserves the right to award on the basis of the initial proposal submissions, the Government may establish a competitive range, based upon the proposal evaluation, for the purpose of selecting qualified applicants. The panel's conclusions are advisory in nature and not binding on the Grant Officer. The government reserves the right to ask for clarification or hold discussions, but is not obligated to do so. The Government further reserves the right to select applicants out of rank order if such a selection would, in its opinion, result in the most effective and appropriate combination of funding, demonstration models, and geographical service areas. The Grant Officer's determination for award under SGA 98-01 is the final agency action. The submission of the same proposal from any prior year HVRP or HVET competition does not guarantee an award under this Solicitation.

Panel Review Criteria

1. *Need for the Project: 15 points.* The applicant shall document the extent of need for this project, as demonstrated by: (1) The potential number or concentration of homeless individuals and homeless veterans in the proposed project area relative to other similar areas of jurisdiction; (2) the high rates of poverty and/or unemployment in the proposed project area as determined by the census or other surveys; and (3) the extent of gaps in the local infrastructure

to effectively address the employment barriers which characterize the target population.

2. Overall Strategy to Increase Employment and Retention: 30 points. The application must include a description of the proposed approach to providing comprehensive employment and training services, including job training, job development, placement and post placement follow up services. The supportive services to be provided as part of the strategy of promoting job readiness and job retention should be indicated. The applicant should identify the local human resources and sources of training to be used for participants. A description of the relationship, if any, with other employment and training program such as SESAs (DVOP and LVER Programs), JTPA IV-C, other JTPA programs, and Workforce Development Boards or entities where in place, should be presented. It should be indicated how the activities will be tailored or responsive to the needs of homeless veterans. A participant flow chart may be used to show the sequence and mix of services. Note: The applicant MUST complete the chart of proposed program outcomes to include participants served, and job retention. (See Appendix D)

3. Quality and Extent of Linkages with Other Providers of Services to the Homeless and to Veterans: 20 points. The application should provide information on the quality and extent of the linkages this program will have with other providers of services to benefit the homeless or veterans in the local community outside of the HVRP grant. For each service, it should be specified who the provider is, the source of funding (if known), and the type of linkages/referral system established or proposed. Describe to the extent possible, how the project would fit into the community's "continuum of care" approach to respond to homelessness and any linkages to HUD or DVA programs or resources to benefit the proposed program.

4. Demonstrated Capability in Providing Required Program Services: 20 points. The applicant should describe its relevant prior experience in operating employment and training programs and providing services to participants similar to that which is proposed under this solicitation. Specific outcomes achieved by the applicant should be described in terms of clients placed in jobs, etc. The applicant must also delineate its staff capability and ability to manage the financial aspects of Federal grant programs. Relevant documentation such as financial and/or audit statements

should be submitted (required for applicants who are non-profit agencies). Final or most recent technical reports for HVRP, HVET or other relevant programs should be submitted as applicable. The applicant should also address its capacity for timely startup of the program.

5. Quality of Overall Housing Strategy: 15 points. The application should demonstrate how the applicant proposes to obtain or access housing resources for veterans in the program and entering the labor force. This discussion should specify the provisions made to access temporary, transitional, and permanent housing for participants through community resources, HUD, lease, HVRP or other means. HVRP funds may not be used to purchase housing.

Applicants can expect that the cost proposal will be reviewed for allowability, allocability, and reasonableness of costs, but will not be scored.

VII. Post Award Conference

A post-award conference for those awarded FY 1998 HVRP funds is tentatively planned for April or May, 1998. Costs associated with attending this conference for up to three grantee representatives will be allowed as long as they were incurred in accordance with Federal travel regulations. Such costs shall be charged as administrative costs and reflected in the proposed budget. The site of the conference has not yet been determined but will likely be in Washington, DC. Please use Washington, DC for budget planning purposes. The conference will focus on providing information and assistance on reporting, record keeping, and grant requirements, and will also include best practices from past projects.

VIII. Reporting Requirements

The grantee shall submit the reports and documents listed below.

A. Financial Reports

The grantee shall report outlays, program income, and other financial information on a quarterly basis using SF 269A, *Financial Status Report, Short Form*. These forms shall cite the assigned grant number and be submitted to the appropriate State Director for Veterans' Employment and Training (DVET) no later than 30 days after the ending date of each Federal fiscal quarter during the grant period. In addition, a final SF 269 shall be submitted no later than 90 days after the end of the grant period.

IX. Administrative Provisions

A. Limitation on Administrative and Indirect Costs

1. Direct Costs for administration, plus any indirect charges claimed, may not exceed 20 percent of the total amount of the grant.
2. Indirect costs claimed by the applicant shall be based on a federally approved rate. A copy of the negotiated, approved, and signed indirect cost negotiation agreement must be submitted with the application. (Do not submit the State cost allocation plan.)
3. Rates traceable and trackable through the SESA Cost Accounting System represent an acceptable means of allocating costs to DOL and, therefore, can be approved for use in MHAA grants to SESAS.

4. If the applicant does not presently have an approved indirect cost rate, a proposed rate with justification may be submitted. Successful applicants will be required to negotiate an acceptable and allowable rate with the appropriate DOL Regional Office of Cost Determination within 90 days of grant award.

B. Allowable Costs

Determinations of allowable costs shall be made in accordance with the following applicable Federal cost principles:

State and local government—OMB
Circular A-87.

HVRP PERFORMANCE GOAL DEFINITIONS

1. Assessments. This process includes addressing the supportive services and employability and training needs of individuals before enrolling them in an HVRP program. Generally, this includes an evaluation and/or measurement of vocational interests and aptitudes, present abilities, previous education and work experience, income requirements, addressing supportive service needs, substance abuse treatment needs, counseling needs, temporary or transitional housing needs, personal circumstances and other related services.
2. Participants Enrolled. A client should be recorded as having been enrolled when an intake form has been completed, and services, referral, or employment has been received through the HVRP program. This should be an unduplicated count over the year: i.e., each participant is recorded only once, regardless of the number of times she or he receives assistance.
3. Placed Into Transitional Or Permanent Housing. A placement into transitional or permanent housing should be recorded when a veteran served by the program upgrades his/her housing situation during the reporting period from shelter/streets to transitional housing or permanent housing or from transitional housing to permanent housing. Placements resulting from referrals by HVRP staff shall be counted. This item is however an unduplicated count over the year, except that a participant may be counted once upon entering transitional housing and again upon obtaining permanent housing.
4. Direct Placements Into Unsubsidized Employment. A direct placement into unsubsidized employment must be a placement made directly by HVRP-funded staff with an established employer who covers all employment costs for 20 or more hours per week at or above the minimum wage. Day labor and other very short-term placements should not be recorded as placements into unsubsidized employment.
5. Assisted Placements Into Unsubsidized Employment. Assisted placements into unsubsidized employment should be recorded where the definition for placement with unsubsidized employment above is met, but the placement was arranged by an agency to which the HVRP referred the homeless veteran, such as a Job Training Partnership Act (JTPA) program.
6. Cost Per Placement. The cost per placement into unsubsidized employment is obtained by dividing the total HVRP funds expended by the total of direct placements plus assisted placements.
7. Number Retaining Job For 30 Days. To be counted as retaining a job for 30 days, continuous employment with one or more employers for at least 30 days must be verified and the definition for either direct placement or assisted placement into unsubsidized employment above is met. This allows clients who have moved into a position with a different employer to be recorded as retaining the job for 30 days as long as the client has been steadily employed for that length of time.

8. Number Retaining Job For 90 Days. To be counted as retaining a job for 90 days, continuous employment with one or more employers for at least 90 days must be verified, and the definition for either placement or assisted placement into unsubsidized employment above is met. This allows clients who have moved into a position with a different employer to be recorded as retaining the job for 90 days as long as the client has been steadily employed for that length of time.
9. Rate of Placement Into Unsubsidized Employment. The rate of placement into unsubsidized employment is obtained by dividing the number placed into unsubsidized employment (HVRP), plus the number of assisted placements into unsubsidized employment by the number of clients enrolled.
10. Average Hourly Wage At Placement. The average hourly wage at placement is the average hourly wage rates at placement of all assisted placements plus direct placements.
11. Employability Development Services. This includes services and activities which will develop or increase the employability of the participant. Generally, this includes vocational counseling, classroom and on-the-job training, pre-employment services (such as job seeking skills and job search workshops), temporary or trial employment, sheltered work environments and other related services and activities. Planned services should assist the participant in addressing specific barriers to employment and finding a job. These activities may be provided by the applicant or by a subgrantee, contractor or another source such as the local Job Partnership Training Act program or the Disabled Veterans' Outreach Program (DVOP) personnel or Local Veterans' Employment Representatives (LVERs). Such services are not mandatory but entries should reflect the services described in the application and the expected number of participants receiving or enrolled in such services during each quarter. Participants may be recorded more than once if they receive more than one service.
12. Total Planned Expenditures. Total funds requested. Identify forecasted expenditures needed for each fiscal quarter.
13. Administrative Costs. Administrative costs shall consist of all direct and indirect costs associated with the supervision and management of the program. These costs shall include the administrative costs, both direct and indirect, of subrecipients and contractors.
14. Participant Services. This cost includes supportive, training, or social rehabilitation services which will assist in stabilizing the participant. This category should reflect all costs other than administrative.
