For further details with respect to this action, see the application for amendments dated June 13, 1997, and SNC's letter dated January 7, 1997, which withdrew part 2 of the application for license amendments. The above documents are available for public inspection at the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, and at the local public document room located at the Houston-Love Memorial Library, 212 W. Burdenshaw Street, Post Office Box 1369, Dothan, Alabama.
