**University Technical Services, Incorporated, Canton, New York; Amended Negative Determination Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Negative Determination Regarding Eligibility to

Apply for Worker Adjustment Assistance on November 17, 1997, applicable to all workers of University Technical Services, Incorporated, San Diego, California. The notice was published in the **Federal Register** on December 10, 1997 (62 FR 65100).

At the request of the State agency, the Department reviewed the negative determination for workers of the subject firm. New findings show that the Department incorrectly identified the subject firm location. The investigation conducted for the subject firm was conducted on behalf of workers engaged in providing operations and maintenance services for electricity generation located in Canton, New York. San Diego, California is the Administrative Services office of the subject firm and is not the subject of the investigation. The Department is amending the negative determination to correctly identify the city and state to read Canton, New York.

**Conclusion**

After careful review, I determine that all workers of University Technical Services, Incorporated, Canton, New York are denied eligibility to apply for adjustment assistance under Section 222 of the Trade Act of 1974.

Signed at Washington, D.C. this 23rd day of December 1997.

**International Wire, Incorporated, Wire Division, Bourbon, Indiana; Notice of Termination of Investigation**

Pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance, hereinafter called (NAFTA-TAA), and in accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 U.S.C. 2273), an investigation was initiated on December 1, 1997 in response to a petition filed on behalf of workers at International Wire Group, Incorporated, Bourbon, Indiana.

This case is being terminated because the workers were separated from the subject firm more than one year prior to the date of the petition. The NAFTA Implementation Act specifies that no certification may apply to any worker whose last separation occurred more than one year before the date of the petition. Consequently, further investigation in this case would serve no purpose, and the investigation has been terminated.

**Onan Corporation, Huntsville, Alabama; Including Leased Workers of ACT Personnel and Services, Incorporated; Snelling Temporary Services; Olsten Staffing Services; Team Source Personnel; Interim Health Care, Huntsville, Alabama; Amended Certification Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance**

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on October 23, 1997, applicable to all workers of Onan Corporation, Huntsville, Alabama. The notice was published in the **Federal Register** on November 7, 1997 (62 FR 60280).

Based on these findings, the Department is amending the certification to include workers of ACT Personnel and Services, Incorporated, Snelling Temporary Services, Olsen Staffing Services, Team Source Personnel, and Interim Health Care, Huntsville, Alabama leased to Onan Corporation, Huntsville, Alabama.

The intent of the Department's certification is to include all workers of Onan Corporation adversely affected by imports from Canada.

The amended notice applicable to NAFTA-01857 is hereby issued as follows:

All workers of Onan Corporation, Huntsville, Alabama and leased workers of ACT Personnel and Services, Incorporated, Snelling Temporary Services, Olsten Staffing Services, Team Source Personnel, and Interim Health Care, Huntsville, Alabama engaged in employment related to the production of gasoline engines for Onan Corporation, Huntsville, Alabama who became totally or partially separated from employment on or after July 28, 1996 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.
