Federal Bureau of Prisons

Notice of Intent To Prepare a Draft Environmental Impact Statement (DEIS) for the Privatized Corrections Contracting Mandate

AGENCY: Federal Bureau of Prisons, Department of Justice.

ACTION: Notice of Intent to Prepare a Draft Environmental Impact Statement (DEIS).

SUMMARY:

Proposed Action: The U.S. Department of Justice, Federal Bureau of Prisons (Bureau) has been given the responsibility for accommodating within the Federal Prison system inmates currently housed by the District of Columbia's Department of Corrections (DCDC). In doing so, the Bureau has been mandated by Congress in the D.C. Revitalization Act to seek private contractors to accommodate a portion of the DCDC's inmate population. Over the next several months, the Bureau will prepare Request for Proposals to be sent to prospective contractors requesting proposals to house in private contract facilities approximately 2,200 DCDC sentenced felons by December 31, 1999 and at least 50 percent of all DCDC sentenced felons by September 30, 2003.

To ensure compliance with the National Environmental Policy Act (NEPA) of 1969, as amended, the Bureau is undertaking preparation of a Program Draft Environmental Impact Statement (DEIS). Topics to be studied as part of the DEIS include, but are not limited to: services, cultural resources, land uses, social and economic factors, hazardous materials, air and noise quality, among others. In furtherance of NEPA, the Bureau will host a Scoping Meeting which all interested persons are invited to attend. The purpose of this Scoping Meeting is to afford the public, regulatory agency representatives, and elected officials an opportunity to learn about and voice their interests and environmental concerns regarding the Bureau's implementation of the required privatization action.

The Scoping Meeting is being held to provide for timely public comments and understanding of Federal plans and programs with possible environmental consequences required by NEPA. The Scoping Meeting will be held 7:00 P.M., Wednesday, January 28, 1998 at St. Luke's Church (church hall meeting room), 4925 East Capitol Street, SE., Washington, DC.

Alternatives: In developing the DEIS, the options of "no action" and
