Aurora Power Resources, Inc.; Notice of Issuance of Order

January 21, 1998.

Aurora Power Resources, Inc. (Aurora) submitted for filing a rate schedule under which Aurora will engage in wholesale electric power and energy transactions as a marketer. Aurora also requested waiver of various Commission regulations. In particular, Aurora requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Aurora.

On January 20, 1998, pursuant to delegated authority, the Director, Division of Rate Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Aurora should file a motion

to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, Aurora is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Aurora's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is February 19, 1998. Copies of the full text of the order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426.

CNG Transmission Corporation; Notice of Tariff Motion Filing

January 21, 1998.

Take notice that on January 14, 1998, CNG Transmission Corporation (CNG) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, Second Sub. Sixteenth Revised Sheet No. 35, with an effective date of January 1, 1998.

CNG states that the purpose of this filing is to remove references to an "Excess Injection Charge" in compliance with the Suspension Order, which CNG had not removed from Sub. Sixteenth Revised Sheet No. 35 filed on December 31, 1997. CNG requests waiver of Section 154.206(b) of the Commission's regulations, so that its tariff sheet may become effective as proposed.

CNG also notes that its December 31, 1997 Motion Tariff Filing incorporated the small-customer transportation rates proposed in Docket No. RP98-65; CNG has thereby complied with the filing requirement established by the Commission's December 31, 1997 Letter Order in the above-referenced proceedings.

CNG states that copies of its letter of transmittal and enclosures are being mailed to its customers and interested state commissions.

Any person desiring to protest said filing should file a motion with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

David P. Boergers,

Acting Secretary.

Consumers Energy Company; Notice of Amendment of Application

January 21, 1998.

Take notice that on January 15, 1998, Consumers Energy Company filed an amendment to its original application in this proceeding. The amendment seeks authorization to issue up to \$475 million of first mortgage bonds for the sole purpose of serving as security for long-term refunding notes authorized in this docket. The first mortgage bonds would not themselves be a source of funds for Consumers, nor would they increase Consumers' total indebtedness. Consumers also requested waivers of the Commission's competitive bid and negotiated placement requirements for certain securities to be issued pursuant to authorization granted in this docket.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211
