East Tennessee Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

January 21, 1998.

Take notice that on January 16, 1997, East Tennessee Natural Gas Company (East Tennessee), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, Fourth Revised Sheet No. 111. East Tennessee requests that this revised tariff sheet be deemed effective February 15, 1998.

East Tennessee states that Fourth Revised Sheet No. 111 corrects an inadvertent error, namely the mistaken insertion of language previously approved for deletion by the Commission. See November 13, 1996 Letter Order in Docket No. RP97-31. The language approved for deletion involved the restriction in the General Terms and Conditions of East Tennessee's FERC Gas Tariff, that a request for service from East Tennessee could be made no earlier than 90 days prior to the proposed commencement date of service.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street N.E., Washington, D.C. 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules and Regulations. All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to this proceeding.

Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and available for public inspection in the Public Reference Room.

David P. Boergers,
Acting Secretary.
