SUPPLEMENTARY INFORMATION:

Background

This notice advises the public that the United States Council for International Business has been selected as the issuing and guaranteeing organization for a new carnet, known as the "TECRO/AIT Carnet". This carnet is being offered as a result of the signing of a bilateral carnet agreement between the Taipei Economic and Cultural Representative in the United States (TECRO) and the American Institute in Taiwan (AIT) for the temporary admission of goods, commercial samples and professional equipment. In a final rule also published in this issue of the **Federal Register**, Customs is amending its regulations which apply to carnets to reflect this new agreement.

A carnet is an international customs document, backed by an internationally valid guarantee, which may be used for the temporary admission of merchandise. The carnet is used in place of the usual national customs documentation and guarantees the payment of duties (including taxes) which may become due if the requirements of the carnet are not satisfied.

Taiwan is currently ineligible to accede to the ATA Carnet Convention, under which carnets facilitate trade among more than fifty contracting parties. Thus, Taiwan has sought access to the carnet facility through the recently concluded TECRO/AIT Carnet Agreement. This agreement was negotiated pursuant to the authority contained in 22 U.S.C. 3305.

On November 4, 1996, a Notice was published in the **Federal Register** (61 FR 56740) in which the Customs Service informed the public of the TECRO/AIT carnet and solicited applications for an organization to issue and guarantee the new carnet.

The issuing association must be approved by the Commissioner of Customs. The guaranteeing association is jointly and severally liable with the carnet holder for the payment of the sums. The guaranteeing association also must be approved by the Commissioner of Customs.

Pursuant to § 114.11, Customs Regulations (19 CFR 114.11), an association, in order to be approved by Customs, must provide in writing that it will undertake to perform the functions and fulfill the obligations specified in

the Agreement to which the United States accedes.

Based upon the information received from the United States Council for International Business, the Commissioner of Customs has determined that the United States Council for International Business satisfies the conditions to be designated an issuing and guaranteeing organization for the TECRO/AIT Carnet.

Dated: July 15, 1997.
