

Allowing the guarantee fee to be reduced to 1 percent or exceeding the 80 percent guarantee on certain guaranteed loans that meet the conditions set forth in subpart B of part 4279 will allow for the targeting of projects in rural communities that remain persistently poor, experience long-term population decline and job deterioration, and other related criteria.

Not more than 7 percent of the Agency quarterly apportioned guarantee authority will be reserved for loan requests with a guarantee fee of 1 percent, and not more than 15 percent of the Agency quarterly apportioned guarantee authority will be reserved for guaranteed loan requests with a guaranteed percentage exceeding 80 percent. Once the above quarterly limits have been reached, all additional loans guaranteed during the remainder of that quarter will require a 2 percent guarantee fee and not exceed an 80 percent guarantee limit.

Written requests by the Rural Development State Office for approval of a guaranteed loan with a 1 percent guarantee fee or a guaranteed loan exceeding 80 percent must be forwarded to the National Office, Attn.: Director, Business Programs Processing Division, for review and consideration prior to obligation of the guaranteed loan. The Administrator will provide a written response to the State Office confirming approval or disapproval of the request.

#### Certain Pasta From Italy and Turkey: Notice of Extension of Time Limits for Antidumping Duty First Administrative and New Shipper Reviews

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** January 28, 1998.

**FOR FURTHER INFORMATION CONTACT:** Edward Easton or John Brinkmann, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1777 and (202) 482-5288, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Postponement of Preliminary Results

###### A. First Administrative Reviews

On August 28, 1997, the Department initiated the first administrative reviews of the antidumping duty orders on certain pasta from Italy and Turkey, covering the period January 19, 1996 through June 30, 1997 (62 FR 45621). The current deadline for the preliminary results of these reviews is April 2, 1998. Section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act ("the Act"), requires the Department to make a preliminary determination in an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) allows the Department to extend this time period to up to 365 days.

We determine that it is not practicable to complete this review within the original time frame because this review involves collecting and analyzing information from a large number of companies and examining allegations of sales below the cost of production for all companies. Although section 751(a)(3)(A) of the Act allows for an extension of up to 120 days, we believe at this time that only a limited extension of the deadline is necessary to analyze the complex legal and methodological issues and coordinate verification of the companies participating in these reviews. Accordingly, the Department is extending the time limit for completion of the preliminary results of these administrative reviews by 90 days, or
