#### FEDERAL COMMUNICATIONS COMMISSION

##### Notice of Public Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority 5 CFR 1320, Comments Requested

January 28, 1998.

**SUMMARY:** The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act of 1995, 44 U.S.C. 3501-3520. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to

any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act that does not display a valid control number.

Comments should address: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

**DATES:** Persons wishing to comment on this information collection should submit written comments on or before April 6, 1998. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all comments to Jerry Cowden, Federal Communications Commission, Room 240-B, 2000 M St., N.W., Washington, DC 20554 or via internet to jcowden@fcc.gov.

**FOR FURTHER INFORMATION CONTACT:** For additional information or copies of the information collection contact Jerry Cowden at 202-418-0447 or via internet at jcowden@fcc.gov.

#### SUPPLEMENTARY INFORMATION:

*OMB Approval Number:* 3060-0562.

*Title:* Section 76.916, Petition for

recertification.

*Type of Review:* Extension of a currently approved collection.

*Respondents:* State, local and tribal governments; business and other for-profit entities.

*Number of Respondents:* 10.

*Estimated Time Per Response:* 10 hours.

*Total Annual Burden to Respondents:* 100 hours, calculated as follows: We estimate that franchising authorities will annually initiate no more than 5 petitions for recertification. We estimate that the average burden to complete all aspects of each petition process is 10 hours for each petitioning party and responding party. (5 petitions × 2 parties each × 10 hours = 100 hours.)

*Total Annual Cost to Respondents:* \$100, calculated as follows: Postage and stationery costs associated with the petitions is estimated to be \$10 per respondent. 5 petitions × 2 parties × \$10 = \$100.

*Needs and Uses:* Section 76.916 provides that a franchising authority wishing to assume jurisdiction to

regulate basic service and associated equipment rates after its request for certification has been denied or revoked may file a petition for recertification with the Commission. The petition must be served on the cable operator and on any interested party that participated in the proceeding denying or revoking the original certification. This information is used by the Commission to determine whether a franchising authority wishing to assume jurisdiction to regulate basic service and associated equipment rates after its request for certification has been denied or revoked meets the eligibility criteria set forth in Section 623(a)(6) of the Communications Act of 1934, as amended.

Federal Communications Commission.
