BILLING CODE 6820-34-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Parts 43, 63, and 64

[IB Docket No. 97-142, FCC 97-398]

Foreign Participation in the U.S. Telecommunications Market

AGENCY: Federal Communications Commission.

ACTION: Final rule; correction; announcement of effective date.

SUMMARY: The Federal Communications Commission published in the **Federal Register** of December 9, 1997, a summary of a Report and Order that it adopted on November 25, 1997, that created a new regulatory framework for international telecommunications. The amendment to part 43 of the final rule included an incorrect amendatory instruction. This document corrects that instruction.

Certain of the rules adopted in the November 25 Report and Order

contained new or modified information collections. This document announces the effective date of those rules.

EFFECTIVE DATE: The amendments to §§ 43.61, 63.10, 63.11, 63.12, 63.13, 63.14, 63.17, 63.18, 63.21, 64.1001(c)-(d), and 64.1002 published at 62 FR 64741 will become effective on February 9, 1998. The correction to amendatory instruction 3 for § 43.61 is effective as of February 9, 1998.

FOR FURTHER INFORMATION CONTACT: Douglas A. Klein, Attorney-Advisor, Policy and Facilities Branch, Telecommunications Division, International Bureau, (202) 418-0424; Susan O'Connell, Attorney-Advisor, Policy and Facilities Branch, Telecommunications Division, International Bureau, (202) 418-1484.

SUPPLEMENTARY INFORMATION:

1. In FR Doc. No. 97-32013, published in the **Federal Register** of December 9, 1997 (62 FR 64741), the Commission inadvertently stated that it was revising § 43.61(c). The Commission intended to add the provided language as a new paragraph (c). This correction corrects the amendatory language of the amendment published on December 9, 1997.

2. On January 12, 1998, the FCC released an Errata correcting that amendatory instruction and other minor errors in the Report and Order as released by the Commission.

3. Certain of the amendments to the Commission's rules imposed new or modified information collection requirements. We stated that "the policies, rules, and requirements established in this decision shall take effect thirty days after publication in the **Federal Register** or in accordance with the requirements of 5 U.S.C. § 801(a)(3) and 44 U.S.C. § 3507. The Commission will publish a document at a later date announcing the effective date. The Commission reserves the right to reconsider the effective date of this decision if the WTO Basic Telecom Agreement does not take effect on January 1, 1998." The information collections were approved by the Office of Management and Budget on January 21, 1998. See OMB No. 3060-0686. The WTO Basic Telecom Agreement will enter into force on February 5, 1998. Because of congressional review procedures required by the Contract with America Advancement Act, 5 U.S.C. § 801-808, the rules adopted in the Report and Order cannot become effective before February 9, 1998. The Commission therefore concludes that it serves the public interest for the rules and policies adopted in the Report and Order to become effective on February

9, 1998. This publication satisfies our statement that the Commission would publish a document announcing the effective date of the rules.

Correction

In FR Doc. 97-32013, published on December 9, 1997 (62 FR 64741), make the following correction. On page 64752, in column 1, correct amendatory instruction 3 to read as follows:

3. § 43.61 is amended by adding paragraph (c) to read as follows:

Federal Communications Commission.

Deputy Secretary.
