BILLING CODE 6116-01-M

**INTERNATIONAL TRADE COMMISSION**

**Investigations Nos. 731-TA-768 (Final) and 701-TA-372 (Final)**

**Fresh Atlantic Salmon From Chile**

**AGENCY:** United States International Trade Commission.

**ACTION:** Scheduling of the final phase of antidumping and countervailing duty investigations.

**SUMMARY:** The Commission hereby gives notice of the scheduling of the final phase of antidumping investigation No. 731-TA-768 (Final) under section 735(b) of the Tariff Act of 1930 (19 U.S.C. § 1673d(b)) (the Act) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of less-than-fair-value imports from Chile of fresh Atlantic salmon, provided for in subheadings 0302.12.00 and 0304.10.40 of the Harmonized Tariff Schedule of the United States.<sup>1</sup> Section

<sup>1</sup> For purposes of these investigations, Commerce has defined the subject merchandise as fresh, farmed Atlantic salmon, whether "dressed" or cut. Atlantic salmon is the species *Salmo salar*, in the genus *Salmo* of the family salmoninae. "Dressed" Atlantic salmon refers to salmon that has been bled, gutted, and cleaned. It may be imported with the head on or off, with the tail on or off, and with the gills in or out. All cuts of fresh Atlantic salmon are included in the scope of the investigations. Examples of cuts include, but are not limited to: crosswise cuts (steaks), lengthwise cuts (fillets), lengthwise cuts attached by skin (butterfly cuts), combinations of crosswise and lengthwise cuts (combination packages), and Atlantic salmon that is minced, shredded, or ground. Cuts may be subjected to various degrees of trimming, and imported with the skin on or off and with the "pin bones" in or out.

Excluded from the scope are (1) fresh Atlantic salmon that is "not farmed" (i.e., wild Atlantic salmon); (2) live Atlantic salmon; and (3) Atlantic salmon that has been subject to further processing, such as frozen, canned, dried, and smoked Atlantic salmon, or processed into forms such as sausages, hot dogs, and burgers.

207.21(b) of the Commission's rules provides that, where the Department of Commerce has issued a negative preliminary determination, the Commission will not publish a notice of scheduling of the final phase of its investigation unless and until it receives an affirmative final determination from Commerce. Although the Department of Commerce has preliminarily determined that countervailable subsidies are not being provided to producers or exporters of fresh Atlantic salmon in Chile, for purposes of efficiency the Commission hereby waives rule 207.21(b) and gives notice of the scheduling of the final phase of countervailing duty investigation No. 701-TA-372 (Final) under section 705(b) of the Act. The Commission is taking this action so that the final phases of the antidumping and countervailing duty investigations may proceed concurrently in the event that Commerce makes an affirmative final countervailing duty determination. If Commerce makes a final negative countervailing duty determination, the Commission will terminate its countervailing duty investigation under section 705(c)(2) of the Act (19 U.S.C. § 1671d(c)(2)), and section 207.21(d) of the Commission's rules.

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207), as amended by 61 FR 37818, July 22, 1996. **EFFECTIVE DATE:** January 16, 1998.

**FOR FURTHER INFORMATION CONTACT:** Woodley Timberlake (202-205-3188), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov> or <ftp://ftp.usitc.gov>).

**SUPPLEMENTARY INFORMATION:**

**Background**

The final phase of the antidumping investigation is being scheduled as a result of an affirmative preliminary determination by the Department of Commerce that imports of fresh Atlantic

salmon from Chile are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. § 1673b). The final phase of the countervailing duty investigation is being scheduled, under waiver of section 207.21(b), discussed above, for purposes of efficiency. The investigation was requested in a petition filed on June 12, 1997, by the Coalition for Fair Atlantic Salmon Trade.

**Participation in the Investigations and Public Service List**

Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

**Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List**

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. § 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Staff Report**

The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on May 20, 1998, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission's rules.

**Hearing**

The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m., on June 3, 1998, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before May 21, 1998. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m., on May 27, 1998, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

**Written Submissions**

Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission's rules; the deadline for filing is May 28, 1998. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is June 10, 1998; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations on or before June 10, 1998. On June 30, 1998, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before July 2, 1998, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6,

207.3, and 207.7 of the Commission's rules.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

Issued: January 30, 1998.
