

Public Protection Notification

If an information collection does not display a currently valid OMB control number, the NRC may not conduct or sponsor, and a person is not required to respond to, the information collection.

Planned Rulemaking

The NRC staff recognizes that there is also a need to revise 10 CFR 50.72 and 50.73 to correct weaknesses in the current rules, including elimination of unnecessary reporting, and better align the rules with the NRC's current needs, including support for the move toward risk-informed regulation. Accordingly, the staff plans to request permission to initiate rulemaking to address these areas. In the future, as rule changes are developed, appropriate changes to the guidance in NUREG-1022, Revision 1 will be developed as well.

Dated at Rockville, MD, this 3d day of February, 1998.

RAILROAD RETIREMENT BOARD**Proposed Collection; Comment
Request**

SUMMARY: In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections; the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Supplement to Claim of Person Outside the United States; OMB 3220-0155.

Under the Social Security Amendments of 1983 (Public Law 98-21), which amends Section 202(t) of the Social Security Act, the Tier I or the O/M (overall minimum) portion of an annuity and Medicare benefits payable under the Railroad Retirement Act to certain beneficiaries living outside the U.S., may be withheld effective January 1, 1985. The benefit withholding provision of P.O. 98-21 applies to divorces spouses, spouses, minor or disabled children, students, and survivors of railroad employees who (1) initially became eligible for Tier I amounts, O/M shares, and Medicare benefits after the December 31, 1984; (2) are not U.S. citizens or U.S. nationals; and (3) have resided outside the U.S. for more than six consecutive months starting with the annuity beginning date. The benefit withholding provision does not apply, however to a beneficiary who is exempt under either a treaty obligation of the U.S., in effect on August 1, 1956, or a totalization agreement between the U.S. and the country in which the beneficiary resides, or to an individual who is exempt under other criteria specified in P.L. 98-21.

RRB Form G-45, Supplement to Claim of Person Outside the United States, is used by the RRB to determine applicability of the withholding provision of P.L. 98-21. Completion of the form is required to obtain or retain
