

Enforcement Fairness Act of 1996, EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives and the Comptroller General of the General Accounting Office; however, in accordance with 5 U.S.C. 808(2), this rule is effective on February 9, 1998. This rule is not a "major rule" as defined in 5 U.S.C. 804(2).

This final rule only amends the effective date of the underlying rule; it does not amend any substantive requirements contained in the rule. Accordingly, to the extent it is available, judicial review is limited to the amended effective date.

Dated: January 30, 1998.

Technical Amendments to Ethane, 1,1,1 Trifluoro-; Revocation of a Significant New Use Rule; Correction of Effective Date Under Congressional Review Act (CRA)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule; correction of effective date under CRA.

SUMMARY: On June 27, 1996 (61 FR 33374), the Environmental Protection Agency published in the **Federal Register** a final rule revocating a significant new use rule promulgated under section 5(a)(2) of the Toxic Substances Control Act for ethane, 1,1,1 trifluoro, based on receipt of new data, which established an effective date of July 29, 1996. This document corrects the effective date of the rule to February 9, 1998 to be consistent with sections 801 and 808 of the Congressional Review Act (CRA), enacted as part of the Small Business Regulatory Enforcement Fairness Act, 5 U.S.C. 801 and 808.

EFFECTIVE DATE: This rule is effective on February 9, 1998.

SUPPLEMENTARY INFORMATION:

I. Background

Section 801 of the CRA precludes a rule from taking effect until the agency

promulgating the rule submits a rule report, which includes a copy of the rule, to each House of Congress and to the Comptroller General of the General Accounting Office (GAO). EPA recently discovered that it had inadvertently failed to submit the above rule as required; thus, although the rule was promulgated on June 27, 1996 (61 FR 33374) by operation of law, the rule did not take effect on July 29, 1996, as stated therein. Now that EPA has discovered its error, the rule is being submitted to both Houses of Congress and the GAO. This document amends the effective date of the rule consistent with the provisions of the CRA.

Section 553 of the Administration Procedure Act, 5 U.S.C. 553(b)(B), provides that, when an agency for good cause finds that notice and public procedure are impracticable, unnecessary or contrary to the public interest, an agency may issue a rule without providing notice and an opportunity for public comment. EPA has determined that there is good cause for making today's rule final without prior proposal and opportunity for comment because EPA merely is correcting the effective date of the promulgated rule to be consistent with the congressional review requirements of the Congressional Review Act as a matter of law and has no discretion in this matter. Thus, notice and public procedure are unnecessary. The Agency finds that this constitutes good cause under 5 U.S.C. 553(b)(B). Moreover, since today's action does not create any new regulatory requirements and affected parties have known of the underlying rule since June 27, 1996, EPA finds that good cause exists to provide for an immediate effective date pursuant to 5 U.S.C. 553(d)(3) and 808(2). Because the delay in the effective date was caused by EPA's inadvertent failure to submit the rule under the CRA, EPA does not believe that affected entities that acted in good faith relying upon the effective date stated in the June 27, 1996, **Federal Register** should be penalized if they were complying with the rule as promulgated.

II. Administrative Requirements

Under Executive Order 12866 (58 FR 51735, October 4, 1993), this action is not a "significant regulatory action" and is therefore not subject to review by the Office of Management and Budget. In addition, this action does not impose any enforceable duty or contain any unfunded mandate as described in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4), or require prior consultation with State officials as

specified by Executive Order 12875 (58 FR 58093, October 28, 1993), or involve special consideration of environmental justice related issues as required by Executive Order 12898 (59 FR 7629, February 16, 1994). Because this action is not subject to notice-and-comment requirements under the Administrative Procedure Act or any other statute, it is not subject to the regulatory flexibility provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). EPA's compliance with these statutes and Executive Orders for the underlying rule is discussed in June 27, 1996, **Federal Register** document.

Pursuant to 5 U.S.C. 801(a)(1)(A), as added by the Small Business Regulatory Enforcement Fairness Act of 1996, EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives and the Comptroller General of the General Accounting Office; however, in accordance with 5 U.S.C. 808(2), this rule is effective on February 9, 1998. This rule is not a "major rule" as defined in 5 U.S.C. 804(2).

This final rule only amends the effective date of the underlying rule; it does not amend any substantive requirements contained in the rule. Accordingly, to the extent it is available, judicial review is limited to the amended effective date.

Foreign Participation in the U.S. Telecommunications Market and Non-U.S.-Licensed Satellites Providing Domestic and International Service in the United States

AGENCY: Federal Communications Commission.

ACTION: Final rule; announcement of effective date.

SUMMARY: The Federal Communications Commission published in the **Federal Register** of December 4, 1997, a summary of a Report and Order that it adopted on November 25, 1997, that adopted a new standard for foreign

participation in the U.S. satellite services market consistent with the United States' obligations under the WTO Basic Telecom Agreement, 62 FR 64167. Certain of the rules adopted in that order contained new or modified information collections. This document announces the effective date of those rules.

EFFECTIVE DATE: The amendments to §§ 25.113, 25.115, 25.130, 25.131, and 25.137, published at 62 FR 64167, will become effective on February 9, 1998.

FOR FURTHER INFORMATION CONTACT: Kathleen Campbell or Linda Haller at (202) 418-0719.

SUPPLEMENTARY INFORMATION: 1. This is a summary of the Commission's order, FCC 98-10, adopted and released January 29, 1998. The complete text of this order is available for inspection and copying during normal business hours in the FCC Reference Center (Room 239), 1919 M Street, N.W., Washington, D.C., and also may be purchased from the Commission's copy contractor, International Transcription Service, Inc., 1231 20th Street, N.W., Washington, DC 20036, telephone: 202-857-3800; fax: 202-857-3805.

2. On November 25, 1997, the Commission adopted order FCC 97-398 in IB Docket Nos. 97-142 and 95-22, and the Commission adopted order FCC 97-399 in IB Docket No. 96-111, CC

Docket No. 93-23, RM-7931, and File No. ISP-92-007. Summaries of both orders were published in the **Federal Register**. See 62 FR 64741 (Dec. 9, 1997) (FCC 97-398); 62 FR 64167 (Dec. 4, 1997) (FCC 97-399). In each of those orders, the Commission stated that the policies, rules, and requirements would take effect thirty days after publication in the **Federal Register** or in accordance with 5 U.S.C. 801(a)(3) and 44 U.S.C. 3507 and that the Commission would publish a document at a later date announcing the effective date. The Commission also reserved the right to reconsider the effective dates if the WTO Basic Telecom Agreement did not take effect on January 1, 1998. The WTO Basic Telecom Agreement will enter into force on February 5, 1998.

3. Certain of the amendments to the Commission's rules imposed new or modified information collection requirements. The new or modified information collection requirements imposed in FCC 97-398 were approved by the Office of Management and Budget (OMB) on January 21, 1998. See OMB No. 3060-0686. The Commission expects to receive OMB approval of the new or modified information collection requirements imposed in FCC 97-399 before February 9, 1998.

4. Because of congressional review procedures required by the Contract with America Advancement Act, 5

U.S.C. 801-808, the rules adopted in the *Foreign Participation Order*, FCC 97-398, cannot become effective before February 9, 1998. In FR Doc. No. 98-2852, 63 FR 5743 (Feb. 4, 1998), the Commission announced that February 9, 1998, would be the effective date of the rules adopted in FCC 97-398. The Commission finds that, to aid consistent application of the new policies, it would serve the public interest for the rules adopted in both orders to become effective simultaneously. We therefore find that it serves the public interest for the rules adopted in FCC 97-399 to become effective on February 9, 1998.

5. Therefore, *it is ordered* that the policies, rules, and requirements established in FCC 97-399 shall take effect on February 9, 1998, following approval by the Office of Management and Budget. If OMB approval is not received by February 9, a notice will be published in the **Federal Register** stating that the information collections are not yet in effect.

6. This publication satisfies our statement that the Commission would publish a document announcing the effective date of the rules.

Federal Communications Commission.
