

services under the Act on November 1, 1996.

Section 7(g)(1) of the Act provides that designations of official agencies will end not later than triennially and may be renewed according to the criteria and procedures prescribed in Section 7(f) of the Act. The designation of New York ends on October 31, 1999, according to the Act. However, New York advised GIPSA that they wanted to cancel their designation. GIPSA has determined that there is not a sufficient need for official services to require a replacement agency.

Accordingly, GIPSA is canceling New York's designation effective April 1, 1998. Any firms in New York that require official service after April 1, 1998, should contact GIPSA's Baltimore Field Office at 410-590-2259

Antifriction Bearings (Other Than Tapered Roller Bearings) And Parts Thereof From France, Germany, Italy, Japan, Romania, Singapore, Sweden, and The United Kingdom

AGENCY: Import Administration, International Trade Administration, Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative reviews and partial termination of administrative reviews.

SUMMARY: In response to requests from interested parties, the Department of Commerce is conducting administrative

reviews of the antidumping duty orders on antifriction bearings (other than tapered roller bearings) and parts thereof from France, Germany, Italy, Japan, Romania, Singapore, Sweden, and the United Kingdom. The classes or kinds of merchandise covered by these orders are ball bearings and parts thereof, cylindrical roller bearings and parts thereof, and spherical plain bearings and parts thereof. The reviews cover 20 manufacturers/exporters. The period of review is May 1, 1996, through April 30, 1997.

We are terminating the reviews for six other manufacturers/exporters and for certain types of antifriction bearings from still other manufacturers/exporters because the requests for reviews of these firms or types of bearings were withdrawn in a timely manner.

We have preliminarily determined that sales have been made below normal value by various companies subject to these reviews. If these preliminary results are adopted in our final results of these administrative reviews, we will instruct U.S. Customs to assess antidumping duties on all appropriate entries.

We invite interested parties to comment on these preliminary results. Parties who submit comments in these proceedings are requested to submit with each argument (1) a statement of the issue and (2) a brief summary of the argument.

EFFECTIVE DATE: February 9, 1998.
