Title: Request Pertaining to Military Service.

OMB number: 3095-0029.

Agency form number: Standard Form (SF) 180 and NA Form 13075.

Type of review: Regular.

Affected public: Veterans, their authorized representatives, state and local governments, and businesses.

Estimated number of respondents: 713,400.

Estimated time per response: 5 minutes for the SF 180 and NA Form 13075.

Frequency of response: On occasion (when respondents wish to request information from military service records).

Estimated total annual burden hours: 207,689 hours.

Abstract: Individuals and interested public and private sector agencies write to the National Personnel Records Center (NPRC) to request information from military service records, using letters or Standard Forms 180, Request Pertaining to Military Records. NPRC uses the information provided in letters and on Standard Forms 180 to locate requested records or information. In cases where the information provided by requesters is not sufficient to locate requested records or information, NPRC asks requesters to furnish additional information on NA Forms 13075, Questionnaire About Military Service. A major fire at NPRC on July 12, 1973, destroyed a number of military service records. If requests involve records or information that may be from records that were lost in the fire, NPRC also asks requesters to complete NA Forms 13075, so that NPRC can search alternative sources to reconstruct basic military service data.

Dated: February 3, 1998.

Assistant Archivist for Human Resources and Information Services.
