

provisions standardize the type and print options which must be used when filing pleadings and other papers with the Court. Minor conforming amendments will be required to change existing titles of Rules 24 and 37 and to change the existing reference to current Rule 24(c) in Rule 21(b). A new reference has been added to Rule 24(a) to alert a practitioner to the consolidated provisions of Rule 37.

2. Use of Classified Information

The purpose of the proposal to move subsection (d) ("Classified Information") from Rule 24 to new Rule 35A ("Use of Classified Information") is to place this unique rule provision in a separate rule and locate it in a section of the Court's Rules of Practice and Procedure to which it more logically relates, namely, "PRACTICE BEFORE THE COURT." The substance of this rule remains unchanged. Minor conforming amendments will be required to change the existing title of Rule 24 and to change existing references to current Rule 24(d) in Rules 9(c), 12(b), and 21(b).

3. Petition for Reconsideration

The purpose of this amendment to Rule 31(d) is to make it clear that reconsideration may only be granted if a majority of those judges who participated in the original decision vote to grant reconsideration. For this purpose, all judges who voted, including those who dissented or concurred, shall be deemed to have participated in the original decision.
