

wastewater to the tundra in the original general permit but the size was not included in the final issuance of the general permit. This has been included in the modified general permit. A condition has been added to the permit clarifying that hydrostatic test water may not be discharged from pipelines that have been previously used to transport crude oil.

Within 120 days following service of notice of EPA's final permit decision under 40 CFR 124.15, any interested person may appeal this general NPDES permit in the Federal Court of Appeal in accordance with section 509(b)(1) of the Clean Water Act.

Regulatory Flexibility Act

After review of the facts presented in the notice printed above, I hereby certify pursuant to the provision of 5 U.S.C. 605(b) that this general NPDES permit will not have a significant impact on a substantial number of small entities. Moreover, the permit reduces a significant administrative burden on regulated sources.

Gateway International, Inc. v. Eastern Mediterranean Shipping; Notice of Filing of Complaint and Assignment

Notice is given that a complaint filed by Gateway International, Inc. ("Complainant") against Eastern Mediterranean Shipping ("Respondent") was served February 6, 1998. Complainant alleges that Respondent is a non-vessel operating common carrier that violated sections 10(b)(6)(D) and 10(d)(1) of the Shipping Act of 1984, 46 U.S.C. app. §§ 1709(b)(6)(D) and 1709(d)(1), by accepting for shipment household goods and personal effects of staff members for a newly established non-profit hospital in Kenya, together with donated medical equipment for that hospital, receiving ocean transportation charges for the shipment, failing to deliver the shipment, and not responding to repeated requests by Complainant's personnel for information as to the location and status of the shipment.

This proceeding has been assigned to the office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution.
