NUCLEAR REGULATORY COMMISSION

Advisory Committee on Reactor Safeguards; Meeting of the ACRS Subcommittee on Reliability and Probabilistic Risk Assessment; Notice of Meeting

The ACRS Subcommittee on Reliability and Probabilistic Risk Assessment will hold a meeting on February 19 and 20, 1998, Room T-2B3, 11545 Rockville Pike, Rockville, Maryland.

The entire meeting will be open to public attendance.

The agenda for the subject meeting shall be as follows: *Thursday, February 19, 1998—8:30 a.m. until the conclusion*

of business. Friday, February 20, 1998—8:30 a.m. until the conclusion of business.

The Subcommittee will review the proposed final Standard Review Plan (SRP) Sections and Regulatory Guides for risk-informed, performance-based regulation including individual applications for graded quality assurance, technical specifications, and inservice testing. The Subcommittee will review the matter included in the Staff Requirements Memorandum dated October 16, 1997, regarding elevation of core damage frequency to a fundamental goal and possible revision to the Commission's Safety Goal Policy Statement. The Subcommittee will also review industry-initiated risk-informed pilots related to the development of full-scope probabilistic risk assessments (PRAs) and the use of quantitative health objectives. The Subcommittee may also discuss staff and industry activities in the area of performance-based regulation and efforts to develop standards for PRA quality. The purpose of this meeting is to gather information, analyze relevant issues and facts, and to formulate proposed positions and actions, as appropriate, for deliberation by the full Committee.

Oral statements may be presented by members of the public with the concurrence of the Subcommittee Chairman; written statements will be accepted and made available to the Committee. Electronic recordings will be permitted only during those portions of the meeting that are open to the public, and questions may be asked only by members of the Subcommittee, its consultants, and staff. Persons desiring to make oral statements should notify the cognizant ACRS staff engineer named below five days prior to the meeting, if possible, so that appropriate arrangements can be made.

During the initial portion of the meeting, the Subcommittee, along with any of its consultants who may be present, may exchange preliminary views regarding matters to be considered during the balance of the meeting.

The Subcommittee will then hear presentations by and hold discussions with representatives of the NRC staff, its consultants, and other interested persons regarding this review.

Further information regarding topics to be discussed, whether the meeting has been cancelled or rescheduled, the Chairman's ruling on requests for the opportunity to present oral statements and the time allotted therefor can be obtained by contacting the cognizant ACRS staff engineer, Mr. Michael T. Markley (telephone 301/415-6885)

PEACE CORPS

Information Collection Requests Under OMB Review

AGENCY: Peace Corps.

ACTION: Notice of public use form review request to the Office of Management and Budget.

SUMMARY: The Associate Director for Management invites comments on information collection requests as required pursuant to the Paperwork Reduction Act (44 U.S.C. chapter 35). This notice announces that the Peace Corps has submitted to the Office of Management and Budget a request to approve the reinstatement of the National Agency Check Questionnaire for Peace Corps Volunteer Background Investigation (PC-5). Section 22 of the Peace Corps Act (22 U.S.C. 2501 et seq.) mandates that "all persons employed or assigned to duties under the Act shall be investigated to insure employment or assignment is consistent with national interest in accordance with standards and procedures established by the President." A copy of the information collection may be obtained from Stuart Moran, Office of Volunteer Recruitment and Selection, United States PEACE CORPS, 1990 K Street, NW, Washington, DC 20526. Mr. Moran may be contacted by telephone at (202) 606-2080. Peace Corps invites comments on whether the proposed collection of information is necessary for proper performance of the functions of the Peace Corps, including whether the information will have practical use; the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and, ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated collection techniques, when appropriate, and other forms of information technology.
