

footnote has been added for *RESTRICTIONS*; Provision 3, *Other Green Areas* in the *RESTRICTIONS* Section has been deleted, and the provisions that follow have been renumbered accordingly; and the signatories have been changed to reflect the heads of the two agreeing parties.

The text amendments are as follows:

Footnote to *RESTRICTIONS*: The language in this MOU will be further amended upon Commission review of updated development plans, including the incorporation of revised maps for the new project. This Fourth Amendment to the MOU has been requested by the new Developer, to facilitate its schedule for financing and filing an appropriate application for review by the County. These amendments are intended to achieve that purpose. The Commission will act on the substance of the Developer's proposal upon receipt of an appropriate submission including a revised conceptual site plan. Nothing in this Fourth Amendment restricts NCPC's authority regarding its review or action on this project.

Developer: The Peterson Companies L.C., its successor and assigns.

2. *Green Area Along Waterfront*: The Developer shall incorporate green areas, to the maximum extent practical, along the waterfront and throughout the Waterfront Parcel. The primary focus of the green area shall be to break up continuous linear views of hardscape, structures and buildings. A justification for the percentage of green area proposed will accompany the Commission's review of the Developer's revised Conceptual Site Plan for the property. Green areas within 98 feet of the new shoreline generally extending from the northern boundary of the Gudelsky Tract to Rosier Point immediately east of the proposed restaurant shall not contain any buildings or structures, except that, between 85 feet and 98 feet from the new shoreline, unenclosed building appurtenances, such as porches, steps and awnings, may be constructed. The approximately 3 acre "Rosalie Island" site shall not be considered green area.

4. *Trails*: The Developer will dedicate or grant easements for continuous public trails, a significant portion of which shall be located along the waterfront, that will permit future connections with proposed trails, including the Potomac Heritage Trail, along the Potomac River north and south of Smoot Bay.

10. *Shoreline Stabilization*: Subject to the requirements of the Corps, the Developer shall retain the right to stabilize the shoreline by creating a

bulkhead, revetment, and/or other means along the entire shoreline, as may be necessary according to sound engineering practice. Wherever practicable, the Developer will maintain or provide trees, shrubs and other landscaping behind the entire shoreline protection elements.

General Counsel.
