#### SUPPLEMENTARY INFORMATION:

##### I. Amounts For Allocation

The Office of Refugee Resettlement (ORR) has available \$129,990,000 in FY 1998 refugee social service funds as part of the FY 1998 appropriation for the Department of Health and Human Services (Pub. L. No. 105-78).

The FY 1998 House Appropriations Committee Report (H.R. Rept. No. 105-205) reads as follows with respect to social services funds:

The bill provides \$129,990,000 for social services, an increase of \$19,108,000 over the comparable fiscal year 1997 appropriation and the budget request. Funds are distributed by formula as well as through the

584 of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 1988, as included in the FY 1988 Continuing Resolution (Pub. L. No. 100-202); and (3) certain Amerasians from Vietnam, including U.S. citizens, under title II of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1989 (Pub. L. No. 100-461), 1990 (Pub. L. No. 101-167), and 1991 (Pub. L. No. 101-513). For convenience, the term "refugee" is used in this notice to encompass all such eligible persons unless the specific context indicates otherwise.

Refugees admitted to the U.S. under admissions numbers set aside for private-sector-initiative admissions are not eligible to be served under the social service program (or under other programs supported by Federal refugee funds) during their period of coverage under their sponsoring agency's agreement with the Department of State—usually two years from their date of arrival or until they obtain permanent resident alien status, whichever comes first.
