

form ensures that the levee was constructed in accordance with the aforementioned NFIP regulations.

FEMA Form 81-89H, Coastal Analysis Form—If a revision request is based on improved coastal analysis or physical changes to the coastal area, the requester must submit a revised coastal analysis. This form will allow FEMA to efficiently review the assumptions made, parameters used, and results for technical accuracy.

FEMA Form 81-89I, Coastal Structures Form—If a submitted revision request involves a coastal structure, this form must be completed. This form describes the coastal structure and its impacts on the 100-year flood elevations.

FEMA Form 81-89J, Dam Form—If a submitted revision request involves a dam, this form must be completed. This form describes the dam and its impacts on the 100-year flood elevations.

FEMA Form 81-89K, Alluvial Fan Flooding Forms—If a submitted revision request involves alluvial fan flooding, this form must be completed. NFIP regulations section 44 CFR 65.13 requires that certain analyses be performed for alluvial fan flooding. This form ensures these analyses are performed and allows the results of the analyses to be reviewed efficiently.

BILLING CODE 6718-01-P

FEDERAL EMERGENCY MANAGEMENT AGENCY

Agency Information Collection Activities: Submission for OMB Review; Comment Request

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency has submitted the following proposed information collection to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Title: Progress Report.

Type of Information Collection: Reinstatement, without change, of a previously approved collection for which approval has expired.

OMB Number: 3067-0151.

Abstract: The Robert T. Stafford Disaster Relief and Emergency Assistance Act (Pub. L. 93-288, as amended) authorizes the President to provide assistance to individuals and to State and local governments to help them to respond and recover from a disaster. In order to receive Federal assistance (i.e., Federal grants) States and local officials and officials of eligible private nonprofit organizations who have a responsibility for response to a major disaster and for the restoration of facilities in the aftermath of such events must provide information to FEMA. The information is required in accordance with FEMA regulations 44 CFR 206.204(f) and guidance published in FEMA 286, Public Assistance Guide.

Public Assistance grants are awarded to States eligible for Federal disaster assistance. FEMA regulation 44 CFR part 13, Uniform Requirements for Grant and Cooperative Agreements to State and Local Governments, places certain requirements on the State in its role as grantee for the Public Assistance Program, which includes monitoring and reporting program/project performance. States are required to submit progress reports on a quarterly basis which describe the status of those projects and any problems or circumstances expected to result in noncompliance with the approved grant conditions.

Affected Public: Not for profit institutions; State, Local and Tribal Governments.

Number of Respondents: 25.

Estimated Time per Respondent: 1.

Estimated Total Annual Burden Hours: 125.

Frequency of Response: Quarterly and Final.

COMMENTS: Interested persons are invited to submit written comments on the proposed information collection to Victoria Wassmer, Desk Officer for the Federal Emergency Management Agency, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503 on or before March 16, 1998.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Muriel B. Anderson, FEMA Information Collections Officer, Federal Emergency Management Agency, 500 C Street, SW, Room 316, Washington, DC 20472. Telephone number (202) 646-2625. FAX number (202) 646-3524.

Dated: February 6, 1998.
