

merchandise on each of that importer's entries under the relevant order during the review period. While the Department is aware that the entered value of the reviewed sales is not necessarily equal to the entered value of entries during the POR (particularly for CEP sales), use of entered value of sales as the basis of the assessment rate permits the Department to collect a reasonable approximation of the antidumping duties which would have been determined if the Department had reviewed those sales of merchandise actually entered during the POR.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of this administrative review, as provided by section 751(a) of the Act: (1) The cash deposit rate for SFP, TIPCO, and TPC will be the rate established above; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in the original less than fair value (LTFV) investigation, the cash deposit will continue to be the company-specific rate published in the final determination of the LTFV investigation; (3) if the exporter is not a firm covered in this review or the LTFV investigation, but the manufacturer is, the cash deposit rate will be that established for the manufacturer of the merchandise in these final results of review or the LTFV investigation; and (4) if neither the exporter nor the manufacturer is a firm covered in this review or the LTFV investigation, the cash deposit rate will be 24.64 percent, the "all others" rate established in the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as final reminder to importers of their responsibility to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also is the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Failure to comply is a violation of the APO.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: February 3, 1998.

Robert S. LaRussa,
Assistant Secretary for Import Administration.
