BILLING CODE 6560-50-F

FEDERAL COMMUNICATION COMMISSION**47 CFR PART 0**

[DA 98-53]

Freedom of Information Act**AGENCY:** Federal Communications Commission.**ACTION:** Final rule.

SUMMARY: The Federal Communications Commission is modifying a section of the Commission's Rules that implements the Freedom of Information Act (FOIA) fee schedule. This modification pertains to the charge for recovery of the full, allowable direct costs of searching for and reviewing records requested under the FOIA and § 0.460(e) or § 0.461 of the Commission's rules, unless such fees are restricted or waived in accordance with § 0.470. The fees are being revised to correspond to modifications in the rate of pay approved by Congress.

EFFECTIVE DATE: March 20, 1998.

FOR FURTHER INFORMATION CONTACT: Judy Boley, Freedom of Information Act Officer, Office of Performance Evaluation and Records Management, Room 234, Federal Communications Commission, 1919 M Street, N. W., Washington, D.C. 20554, (202) 418-0210 or via Internet at jboley@fcc.gov.

SUPPLEMENTARY INFORMATION: The FCC is modifying § 0.467(a) of the Commission's Rules. This rule pertains to the charges for searching and reviewing records requested under the FOIA. The FOIA requires federal agencies to establish a schedule of fees for the processing of requests for agency records in accordance with fee guidelines issued by the Office of Management and Budget (OMB). In 1987, OMB issued its Uniform Freedom of Information Act Fee Schedule and Guidelines. However, because the FOIA requires that each agency's fees be based upon its direct costs of providing FOIA services, OMB did not provide a unitary, government-wide schedule of fees. The Commission based its FOIA

fee schedule on the grade level of the employee who processes the request. Thus, the fee schedule was computed at a Step 5 of each grade level based on the General Schedule effected January 1987. The instant revisions correspond to modifications in the rate of pay recently approved by Congress.

Regulatory Procedures

This rule has been reviewed under Executive Order No. 12866 and has been determined not to be a "significant rule" since it will not have an annual effect on the economy of \$100 million or more.

In addition, it has been determined that this rule will not have a significant economic impact on a substantial number of small entities.
