LEGAL SERVICES CORPORATION

45 CFR Part 1644

Disclosure of Case Information

AGENCY: Legal Services Corporation.

ACTION: Proposed rule.

SUMMARY: This proposed rule is a new rule intended to implement a provision in the Legal Services Corporation's (LSC or Corporation) FY 1998 appropriations act which requires basic field recipients to disclose certain information to the public and to the Corporation regarding cases their attorneys file in court. The case information that is provided to the

Corporation will be subject to disclosure under the Freedom of Information Act.

DATES: Comments should be received on or before March 23, 1998.

ADDRESSES: Comments should be submitted to the Office of the General Counsel, Legal Services Corporation, 750 First St. NE., 11th Floor, Washington, DC 20002-4250.

FOR FURTHER INFORMATION CONTACT: Office of the General Counsel, (202-336-8817).

SUPPLEMENTARY INFORMATION: This proposed new rule is intended to implement Section 505 of the Corporation's FY 1998 appropriations act, which requires basic field recipients to disclose certain information to the public and to the Corporation regarding cases filed in court by any attorney employed by a recipient. See Public Law 105-119, 111 Stat. 2440. The Corporation issued a program letter on December 9, 1997, providing recipients with guidance on compliance with Section 505 until such time as a rule could be promulgated by the Corporation. On February 6, 1998, the Corporation's Operations and Regulations Committee (Committee) of the Corporation's Board of Directors (Board) met to consider a draft proposed rule to implement the case disclosure requirement. After making some changes to the draft rule, the Committee adopted this proposed rule for publication for public comment. A section-by-section analysis follows.

Section-by-Section Analysis

Section 1644.1 Purpose

The purpose section states that the rule is intended to ensure that recipients disclose to the public and to the Corporation information required by the case disclosure requirement on cases filed in court by their attorneys.

Section 1644.2 Definitions

The case disclosure provision requires that recipients disclose certain information, including the cause of action, for each case filed in court by a recipient attorney. To clarify this requirement, this proposed rule includes three definitions.

First, paragraph (a) of § 1644.2 defines to disclose the cause of action. To disclose the cause of action means to provide a sufficient description of a particular case to indicate the principal nature of the case. Examples would include: "breach of warranty," "bankruptcy," "divorce," "domestic violence," "petition to quiet title," "action to recover property," and "employment discrimination action."
