#### MAC Power Marketing, L.L.C.; Notice of Issuance of Order

February 13, 1998.

MAC Power Marketing, L.L.C. (MAC Power) submitted for filing a rate schedule under which MAC Power will engage in wholesale electric power and energy transactions as a marketer. MAC Power also requested waiver of various Commission regulations. In particular, MAC Power requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by MAC Power.

On December 16, 1997, pursuant to delegated authority, the Director, Division of Rate Applications, Office of Electric Power Regulation, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by MAC Power should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of MAC Power's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is March 16, 1998. Copies of the full text of the order are available from the Commission's Public Reference Branch, 888 First Street, N.E., Washington, D.C. 20426.

[Docket No. CP98-216-000]

#### Northern Natural Gas Company; Notice of Request Under Blanket Authorization

February 13, 1998.

Take notice that on February 3, 1998, as supplemented on February 5, 1998, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, NE 68124-1000, filed in Docket No. CP98-216-000 a request pursuant to Sections 157.205, 157.212(a), and 157.216(b) of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212(a), and 157.216(b)) for authorization to abandon the Glenwood, Iowa branchline and to relocate two small volume farm taps all located in Mills County, Iowa, under the blanket certificate issued in Docket No. CP82-401-000, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Northern proposes to abandon approximately 0.2 miles of 2-inch pipe and 1.1 miles of 3-inch lines which were installed in 1950 and 1934, respectively. Northern is requesting abandonment of the Glenwood branchline due to the age of the pipeline. Specifically, Northern asserts that the 3-inch pipeline has deteriorated to the point where it needs to be replaced. Additionally, Northern notes that the 3-inch line crosses 9 out of 11 lots in a new housing development which, per Department of Transportation regulations, requires a class location change. Rather than replace the existing Glenwood branchline in its current location, Northern proposes to abandon the line. Northern notes that it will provide the same service to Glenwood, Iowa via a

replacement line installed at a more accessible location under Blanket Authority. The 2-inch line was originally installed to augment service to Glenwood, Iowa but will be rendered useless once the 3-inch line is abandoned. As a result of the abandonment, Northern notes that two farm taps located along the 3-inch line require removal and relocation.

Northern notes that it will utilize the most efficient method of abandonment based on circumstances at the time of abandonment. Generally, Northern proposes to abandon in-place pipeline at unique situations where the environment is better protected by not removing the pipeline. Northern contends that it will also restore the area to its original condition by reseeding or allowing resumption of farming activity (or as specified by landowner). Northern states that the affected state commission has been mailed copies of this request. Northern submitted letters with the customers consenting to the pipeline project.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed authorized effective the day after the time allowed for filing a request. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protests, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
