Translation Advisory Committee for Diabetes Prevention and Control Programs: Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting.

Name: Translation Advisory Committee for Diabetes Prevention and Control Programs.

Times and Dates: 9 a.m.-6 p.m., March 10, 1998. 9 a.m.-1 p.m., March 11, 1998.

Place: The Georgian Terrace, 659 Peachtree Street, Atlanta, Georgia 30308, telephone 404/897-1991.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 50 people.

Purpose: This committee is charged with advising the Director, CDC, regarding policy issues and broad strategies for diabetes translation activities and control programs designed to reduce risk factors, health services utilization, costs, morbidity, and mortality associated with diabetes and its complications. The Committee identifies research advances and technologies ready for translation into widespread community practice; recommends broad public health strategies to be implemented through public health interventions; identifies opportunities for surveillance and epidemiologic assessment of diabetes and related complications; and for the purpose of assuring the most effective use and organization of resources, maintains liaison and coordination of programs within the Federal, voluntary, and private sectors involved in the provision of services to people with diabetes.

Matters to be Discussed: Agenda items include a discussion of public health issues pertinent to the role of future program models best suited for Diabetes Control Programs in the Division of Diabetes Translation (DDT) priorities. Agenda items are subject to change as priorities dictate.
