SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-39672; File No. SR-NYSE-98-04]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by the New York Stock Exchange, Inc., Relating to the Reimbursement of Member Organizations for Costs Incurred in the Transmission of Proxy and Other Shareholder Communication Material

February 17, 1998.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

("Act"),¹ notice is hereby given that on February 12, 1998, the New York Stock Exchange, Inc. (the "Exchange" or "NYSE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange seeks to modify Exchange Rule 451, "Transmission of Proxy Material," and Exchange Rule 465, "Transmission of Interim Reports and Other Material" (collectively the "Rules"). The Rules establish guidelines for the reimbursement of expenses incurred by NYSE member organizations for the processing of proxy materials and other issuer communications with respect to security holders whose securities are held in street name.

The Exchange proposes to reduce one of the fee reimbursement guidelines² that concerns charges for initial proxy and/or annual report mailings. In addition, the Exchange proposes to extend the pilot regarding the Rules, which currently is due to expire on May 13, 1998, through July 31, 1998.³

The text of the proposed rule change is available at the Office of the Secretary, the Exchange, and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

¹ 15 U.S.C. 78s(b)(1).

² The specific fees listed in Rule 451 also are listed in Paragraph 402.10 of the Exchange's Listed Company Manual. The proposed rule change makes conforming changes to that paragraph.

³ See Securities Exchange Act Release No. 38406 (Mar. 14, 1997), 62 FR 13922 (Mar. 24, 1997) (the "Previous Filing"). The Previous Filing contains a detailed description regarding the background and history of the Rules.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Among other things, the Previous Filing lowered the reimbursement guidelines, created incentive fees to eliminate duplicative mailings, and established a supplemental fee for intermediaries that coordinate multiple nominees. The Commission approved the Previous Filing as a one-year pilot, and designated May 13, 1998, as the date of expiration.

The purpose of the proposed rule change is to lower the rate of reimbursement for mailing each set of initial proxies and annual reports from \$.55 to \$.50. The Exchange is proposing this lower fee based on the experience over the last year, which indicates that the lower fee better approximates proxy handling costs. This reduced fee would be effective through the end of the current pilot period.

In addition, the pilot period presently is scheduled to expire in the midst of the current proxy season, on May 13, 1998. The proposed rule change would extend the pilot period through the end of the current proxy season to July 31, 1998.⁴

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act⁵ in that it provides for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange further believes that the proposed rule change satisfies the requirement under Section 6(b)(5)⁶ that an exchange have rules that are designed to prevent fraudulent and manipulative acts and practices; promote just and equitable principles of trade; foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities; remove impediments to and perfect the mechanism of a free and open market and a national market system; and, in general, protect investors and the public interest.

⁴ On February 6, 1998, the Exchange submitted a companion filing to this proposed rule change that would extend the pilot period through June 30, 2001. See SR-NYSE-98-05.
