#### Notice of Revised Determination on Reconsideration

On October 10, 1997, the Department issued an Affirmative Determination Regarding Application on Reconsideration applicable to workers and former workers of the subject firm. The notice was published in the **Federal Register** on October 24 1997 (62 FR 55424).

The Department initially denied TAA to workers of Dana Corporation, Spicer Trailer Products, Berwick, Pennsylvania, producing leaf springs because the "contributed importantly" group eligibility requirement of Section 223(3) of the Trade Act of 1974, as amended, was not met.

On reconsideration, the Department conducted further survey analysis of major customers of Dana Corporation, Spicer Trailer Products. The survey revealed that a former major customer reduced purchases of leaf springs from the Berwick plant and increased purchases from a firm which increased its imports of leaf springs similar to the articles produced at the Berwick plant.

#### Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with leaf springs, contributed importantly to the declines in sales or production and to the total or partial separation of workers of Dana Corporation, Spicer

Trailer Products. In accordance with the provisions of the Act, I make the following certification:

All workers of Dana Corporation, Spicer Trailer Products, Berwick, Pennsylvania who became totally or partially separated from employment on or after August 7, 1996 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed in Washington, DC this 11th day of February 1998.

#### Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on April 17, 1996, applicable to all workers of Hasbro Manufacturing Services, located in El Paso, Texas. The notice was published in the **Federal Register** on May 16, 1996 (61 FR 24815).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some workers separated from employment at Hasbro Manufacturing Services had their wages reported under a separate unemployment insurance (UI) tax account at Kelly Services. Workers from Kelly Services, Incorporated produced toys at the El Paso location of Hasbro Manufacturing.

Based on these findings, the Department is amending the certification to include workers from Kelly Services, Incorporated, El Paso, Texas who were engaged in the production of toys at Hasbro Manufacturing Services, El Paso, Texas by imports. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to TA-W-31,969 is hereby issued as follows:

All workers of Hasbro Manufacturing Services, El Paso, Texas and workers of Kelly Services, Incorporated, El Paso, Texas engaged in employment related to the production of toys for Hasbro Manufacturing Services, El Paso, Texas who became totally
