

1843) and is given confidential treatment (5 U.S.C. 552(b)(6)).

Abstract: The 1998 Survey of Consumer Finances is the sixth triennial Survey of Consumer Finance since 1983, the beginning of the current series. This survey is the only source of representative information on the structure of U.S. families' finances. The survey, to be conducted between June and December 1998, will collect data on the assets, debts, income, work history, pension rights, use of financial services, and attitudes of a sample of U.S. families.

Board of Governors of the Federal Reserve System, February 23, 1998.

William W. Wiles,

Secretary of the Board.

Administration on Aging

Public Information Collection Requirement Submitted to the Office of Management and Budget for Clearance

AGENCY: Administration on Aging.

SUMMARY: The Administration on Aging (AoA), Department of Health and Human Services, in compliance with the Paperwork Reduction Act (Public Law 96-511), is submitting to the Office of Management and Budget for clearance and approval an information collection instrument, namely, Performance (Progress) Reports for Title IV Grantees.

Type of Request: Extension of currently approved collection.

Use: Consistent with 45 CFR Part 74, Subpart J, the AoA requires grantees funded under Title IV of the Older Americans Act to report on the performance of their projects. The report is used by the AoA to review and monitor the grantee's progress in achieving project objectives, provide advice and assistance, and to take corrective action as necessary.

Frequency: Semiannually.

Respondent: Title IV grantees.

Estimated Number of Respondents: 60.

Estimated Burden Hours: 20 hours for each semiannual report.

Additional Information: Each progress report, typically 5 pages in length, is expected to cover the following subjects: recent major activities and accomplishments; problems encountered; significant findings and events; dissemination activities; and activities planned for the next 6 months.

Written comments and recommendations for the proposed information collection should be sent to the following address on or before March 30, 1998: Administration on Aging, Wilbur J. Cohen Federal Building, 330 Independence Avenue, SW, Washington, DC 20201, ATTN: Alfred P. Duncker.

Dated: February 19, 1998.

William F. Benson,

Acting Principal Deputy Assistant Secretary for Aging.

Citizens Advisory Committee on Public Health Service Activities and Research at Department of Energy (DOE) Sites: Fernald Health Effects Subcommittee

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Agency for Toxic Substances and Disease Registry (ATSDR) and the Centers for Disease

Control and Prevention (CDC) announce the following meeting.

Name: Citizens Advisory Committee on Public Health Service Activities and Research at DOE Sites: Fernald Health Effects Subcommittee.

Times and Dates: 1 p.m.-9 p.m., March 18, 1998; 8:30 a.m.-5 p.m., March 19, 1998.

Place: The Plantation, 9660 Dry Fork Road, Harrison, Ohio 45020, telephone 513/367-5610.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 50 people.

Background: Under a Memorandum of Understanding (MOU) signed in December 1990 with DOE and replaced by an MOU signed in 1996, the Department of Health and Human Services (HHS) was given the responsibility and resources for conducting analytic epidemiologic investigations of residents of communities in the vicinity of DOE facilities, workers at DOE facilities, and other persons potentially exposed to radiation or to potential hazards from non-nuclear energy production use. HHS delegated program responsibility to CDC.

In addition, a memo was signed in October 1990 and renewed in November 1992 between ATSDR and DOE. The MOU delineates the responsibilities and procedures for ATSDR's public health activities at DOE sites required under sections 104, 105, 107, and 120 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA or "Superfund"). These activities include health consultations and public health assessments at DOE sites listed on, or proposed for, the Superfund National Priorities List and at sites that are the subject of petitions from the public; and other health-related activities such as epidemiologic studies, health surveillance, exposure and disease registries, health education, substance-specific applied research, emergency response, and preparation of toxicological profiles.

Purpose: This subcommittee is charged with providing advice and recommendations to the Director, CDC, and the Administrator, ATSDR, regarding community, American Indian Tribes, and labor concerns pertaining to CDC's and ATSDR's public health activities and research at this DOE site. The purpose of this meeting is to provide a forum for community, American Indian Tribal, and labor interaction and serve as a vehicle for community concern to be expressed as
