

Program personnel, operating under the authority of a separate permit, at Bonneville Dam on the Columbia River. Captured ESA-listed fish are proposed to be examined and released or tagged with radio transmitters, held for as long as 24 hours, released, and tracked electronically. Some lethal take is requested. ESA-listed juvenile fish indirect mortalities associated with research activities are also requested.

To date, protective regulations for threatened Snake River steelhead under section 4(d) of the ESA have not been promulgated by NMFS. This notice of receipt of applications requesting takes of this species is issued as a precaution in the event that NMFS issues protective regulations that prohibit takes of Snake River steelhead. The initiation of a 30-day public comment period on the applications, including their proposed takes of Snake River steelhead, does not presuppose the contents of the eventual protective regulations. To date, a listing determination for lower Columbia River steelhead under the ESA has not been promulgated by NMFS. This notice of receipt of applications requesting takes of this species is issued as a precaution in the event that NMFS issues a listing determination. The initiation of a 30-day public comment period on the applications, including their proposed takes of lower Columbia River steelhead, does not presuppose a listing determination. Those individuals requesting a hearing on any of the applications should set out the specific reasons why a hearing would be appropriate (see ADDRESSES). The holding of such a hearing is at the discretion of the Assistant Administrator for Fisheries, NOAA. All statements and opinions contained in the above application summaries are those of the applicants and do not necessarily reflect the views of NMFS.

Dated: February 23, 1998.

Chief, Endangered Species Division, Office of Protected Resources, National Marine Fisheries Service.

Any comments received will be carefully considered in the development of the final AmeriCorps*VISTA Supervision and Transportation Support Guidelines.

SUPPLEMENTARY INFORMATION: The Final Notice of VISTA Supervision and Transportation Support Guidelines, as published in the **Federal Register** on May 5, 1987 (52 FR 16422), will be replaced by new guidelines. This notice proposes new guidelines to ensure that AmeriCorps*VISTA members have the support to ensure that they may perform their assignments effectively. These guidelines will apply to AmeriCorps*VISTA sponsors and members serving under Title I, Part A of Pub. L. 93-113, as amended. The Corporation seeks public comment for all portions of these proposed guidelines. Comments submitted in response to this notice will be summarized and/or included in the final guidelines; they will also become a matter of public record. No electronic mail or facsimile transmission comments will be accepted.

AmeriCorps*VISTA Supervision and Transportation Support Guidelines Implementation

These Guidelines apply to all AmeriCorps*VISTA member supervision and/or on-the-job transportation support grant applications/agreements submitted to the Corporation for National Service on or after the effective date of the final notice.

1. Purpose

(a) Section 105(b) of the Domestic Volunteer Service Act of 1973, Public Law 93-113, as amended, requires the AmeriCorps*VISTA program to ensure that each member serving under Title I, Part A of the Act has available such allowances and support as will enable them to carry out the purpose and provisions of the Act and to perform their assignments effectively. In accordance with Section 105(b) and these guidelines, AmeriCorps*VISTA may make a commitment through a grant agreement, or other arrangement with a sponsor, to pay for on-the-job

transportation and/or supervisory support of such members.

(b) This order establishes the policy and guidelines for determining:

(1) The circumstances under which grants or other arrangements for AmeriCorps*VISTA contributions to on-the-job transportation expenses of AmeriCorps*VISTA members may be negotiated between AmeriCorps*VISTA and the sponsor; and

(2) The circumstances under which grants or other arrangements for AmeriCorps*VISTA contributions to the cost of providing supervision for AmeriCorps*VISTA members may be negotiated between AmeriCorps*VISTA and the sponsor.

2. Scope

Provisions of this policy and guidelines apply to AmeriCorps*VISTA sponsors and members serving under Title I, Part A of Pub. L. 93-113, as amended.

3. Background

While AmeriCorps*VISTA must ensure that members have available such allowances and support as will enable them to perform their project assignments effectively, the provision of adequate on-the-job transportation and supervision for AmeriCorps*VISTA members is primarily the responsibility of the sponsoring organization.

AmeriCorps*VISTA recognizes, however, that in some instances sponsoring organizations requesting members for projects that conform to AmeriCorps*VISTA's programming criteria may need assistance in providing this support. Corporation State Program Directors are provided with limited financial resources for the purpose of entering into transportation and/or supervision arrangements with AmeriCorps*VISTA project sponsors.

When such arrangements are established with a sponsoring organization, they are to provide for the direct support of AmeriCorps*VISTA member transportation and supervision, as well as travel needed to supervise AmeriCorps*VISTA members. They are not intended to provide for other support needed to accomplish the goals of the project. All other overhead expenses such as supplies, materials, and equipment are the sole responsibility of the sponsoring organization.

4. Policy

(a) AmeriCorps*VISTA will provide full or partial funding for on-the-job transportation of AmeriCorps*VISTA members and/or for hiring of persons responsible for supervision of the

members, but only in those cases where such support is deemed by the Corporation State Program Director to be:

(1) Necessary for the effective functioning of the AmeriCorps*VISTA members on the project, and

(2) Within these guidelines.

(b) Gradual assumption of transportation and/or supervision support by the sponsoring organization over the life of the project is encouraged.

(c) When a supervision and/or transportation arrangement is approved, the nature of the agreement between the Corporation State Program Director and the sponsor will be reflected in the relevant Memorandum of Agreement.

Any agreement whereby AmeriCorps*VISTA provides funds for these purposes will include provisions to ensure that:

(1) Services are furnished at a reasonable rate;

(2) The rate conforms to sponsor's hiring policies and/or local prevailing salary levels;

(3) Any expenses incurred by the sponsoring organization over the agreed amount will be at its own expense.

(d) In developing/renewing projects, the Corporation State Program Director shall take into account the travel and supervisory requirements of the proposed project. AmeriCorps*VISTA project support funds will be provided only when needs of the project and the assigned members cannot be met by the sponsor's own structure and resources.

(e) Renewal of supervision and/or transportation grants arrangements will be based on needs, availability of resources, and project performance.

5. Guidelines for Transportation Arrangements

(a) The Corporation State Program Director will establish the following facts before approving AmeriCorps*VISTA funds to support on-the-job transportation for AmeriCorps*VISTA members:

(1) Necessity of transportation, including public transportation, for AmeriCorps*VISTA members to achieve the goals/objectives of the project as contained in the project application;

(2) Inability of the sponsoring organization to provide adequate transportation.

(b) The Corporation will not provide on-the-job transportation support for:

(1) Travel expenses incurred by AmeriCorps*VISTA members from their residence to their assigned post; and

(2) Transportation or delivery services to the population being served.

(c) The Corporation State Program Director will consider budget

constraints, available resources, and program and geographic priorities in distributing AmeriCorps*VISTA on-the-job transportation funds.

6. Guidelines for Supervision Arrangements

(a) The Corporation State Program Director shall establish the following facts before approving AmeriCorps*VISTA funds to support on-the-job supervision of AmeriCorps*VISTA members:

(1) Necessity of full- or part-time supervision for members to achieve the goals/objectives of the project as outlined in the project application;

(2) Inability of the sponsoring organization to provide adequate supervision;

(3) Number of AmeriCorps*VISTA members assigned to the project during the period covered by the Memorandum of Agreement;

(4) Necessity of supervisor job-related travel based on number of AmeriCorps*VISTA members assigned and the geographic dispersion of the project.

(b) The Corporation has determined that:

(1) Projects averaging three (3) or fewer AmeriCorps*VISTA members over the course of the Memorandum of Agreement will not be eligible for any AmeriCorps*VISTA supervisory funding.

(2) Projects averaging at least four (4) AmeriCorps*VISTA members during the term of the Memorandum of Agreement are eligible for part-time supervisory funding in the same ratio as the individual would spend in actual supervision, e.g., if the supervisor spends at least 30% time directly supervising the members, AmeriCorps*VISTA would fund up to 30% of salary.

(3) AmeriCorps*VISTA projects are eligible for funding of a full-time supervisory position if the project averages at least eight (8) AmeriCorps*VISTA members over the course of the Memorandum of Agreement.

(c) The Corporation State Program Director will consider budget constraints, available resources, and program and geographic priorities in distributing AmeriCorps*VISTA supervision funds.

7. Elimination or Reduction of Transportation and/or Supervision Funding

(a) As a general rule, the level of funding, determined by the Project Manager and contained in an AmeriCorps*VISTA project support

grant/agreement, will be maintained throughout the term of the annual Memorandum of Agreement between the Corporation for National Service and the sponsoring organization. However, types of conditions that may cause the reduction or elimination of project support during the term of the annual Memorandum of Agreement are:

(1) Amendment by mutual agreement between the Corporation for National Service and the sponsor;

(2) Termination by the sponsor for any reason;

(3) Reassignment, resignation, or termination of AmeriCorps*VISTA members from the project before their term of service has ended with no replacements during that budget year;

(4) Substantial changes in AmeriCorps*VISTA member assignments; or

(5) Suspension or termination in accordance with 45 CFR Part 1206, Subpart A.

(b) All grant awards or agreements documenting supervisory or on-the-job transportation arrangements will contain language indicating that the AmeriCorps*VISTA funding may be reduced or eliminated in accordance with the provisions of this Guideline and the Memorandum of Agreement.

Dated: February 24, 1998.

Kenneth L. Klothen,

General Counsel.
