Proposal to approve under OMB delegated authority the extension for three years, with revision, of the following report:

1. Report title: Annual Report of Bank Holding Companies
Agency form number: FR Y-6
OMB control number: 7100-0124
Frequency: annual
Reporters: bank holding companies
Annual reporting hours: 22,552
Estimated average hours per response: 4.0
Number of respondents: 5,638
Small businesses are affected.

General description of report: This information collection is mandatory (12 U.S.C. 1844(b) and (c)). Confidential treatment is not routinely given to the information in this report. However, confidential treatment for the report information can be requested, in whole or part, in accordance with the instructions to the form.

Abstract: The annual FR Y-6 report provides structure information that includes an organizational chart and information about shareholders that meet certain criteria as well as information on the identity, percentage ownership, and business interests of principal shareholders, directors, and executive officers. The report enables the Federal Reserve to monitor bank holding company operations and to ensure that the operations are conducted in a safe and sound manner and are in compliance with the provisions of the Bank Holding

Company Act and Regulation Y (12 C.F.R. 225).

The Federal Reserve proposes to:

(1) Add lines to the report cover page and the supplemental cover page to disclose physical locations;

(2) Revise the item providing information on directors and officers to eliminate the reporting of the number of voting securities owned, controlled or held with the power to vote by principal shareholders, officers, directors or other individuals in the bank holding company exercising similar functions; and

(3) Create a separate appendix that would present an example of an accurately completed FR Y-6 report for the purpose of assisting respondents with this free-form report.

Proposal to approve under OMB delegated authority the extension for three years, without revision, of the following reports:

1. Report title: Notice of Proposed Stock Redemption

Agency form number: FR 4008
OMB control number: 7100-0131

Frequency: on occasion

Reporters: bank holding companies

Annual reporting hours: 822

Estimated average hours per response: 15.5

Number of respondents: 53

Small businesses are not affected.

General description of report: This information collection is mandatory (12 U.S.C. 1844(c)) and is not given confidential treatment.

Abstract: The Federal Reserve System requires a bank holding company (BHC), other than a well-run company, to give written notice to its District Federal Reserve Bank before purchasing or redeeming its equity securities (collectively, redeeming or redemption) if the consideration paid for the proposed redemption and other redemptions over the preceding twelve months is 10 percent or more of the company's consolidated net worth. There is no formal reporting form; the BHC notifies the Federal Reserve by letter prior to making the proposed redemption. The Federal Reserve uses the information to fulfill its statutory obligation to supervise bank holding companies.

2. Report title: Notice Claiming Status

as an Exempt Transfer Agent

Agency form number: FR 4013

OMB control number: 7100-0137

Frequency: on occasion

Reporters: banks, bank holding companies, and trust companies

Annual reporting hours: 16

Estimated average hours per response: 2

Number of respondents: 8

Small businesses are affected.

General description of report: This information collection is voluntary (15 U.S.C. 78q-l(c)(1)) and is not given confidential treatment.

Abstract: Banks, bank holding companies, and trust companies subject to the Federal Reserve's supervision that are low-volume transfer agents voluntarily file the FR 4013 notice on occasion with the Federal Reserve Board. Transfer agents are institutions that provide securities transfer, registration, monitoring, and other specified services on behalf of securities issuers. The purpose of the notice, which is effective until the agent withdraws it, is to claim exemption from certain rules and regulations of the Securities and Exchange Commission (SEC). The Federal Reserve uses the notices for supervisory purposes because the SEC has assigned to the Federal Reserve responsibility for collecting the notices and verifying their accuracy through examinations of the respondents. The notice is made by letter; there is no reporting form.

3. Report title: Annual Survey of Eligible Bankers Acceptances

Agency form number: FR 2006

OMB control number: 7100-0055

Frequency: annual

Reporters: U.S. commercial banks, U.S. branches and agencies of foreign banks, Edge and agreement corporations

Annual reporting hours: 46

Estimated average hours per response: 0.65

Number of respondents: 70

Small businesses are not affected.

General description of report: This information collection is voluntary (12 U.S.C. 248(a), 625, and 3105(b)) and is given confidential treatment (5 U.S.C. 522(b)(4)).

Abstract: The FR 2006 report provides information on eligible U.S. dollar acceptances that are payable in the United States. The data are used for constructing the monetary aggregates, a nonfinancial debt aggregate, and a measure of short-and intermediate-term business credit.

Board of Governors of the Federal Reserve System, February 25, 1998.

AGENCY: Office of the Secretary, Office of Minority Health.

ACTION: Notice of availability of funds and request for Applications for the Bilingual/Bicultural Service Demonstration Program.

AUTHORITY: This program is authorized under section 1707(d)(1) of the Public Health Service Act, as amended by Public Law 101-527, the Disadvantaged Minority Health Improvement Act of 1990.

PURPOSE: The purpose of this Fiscal Year 1998 Bilingual/Bicultural Service Demonstration Grant Program is to:

Background

Large numbers of minorities in the United States are linguistically isolated. According to the 1990 U.S. Census, 31.8 million persons or 13 percent of the total U.S. population (ages 5 and above) speak a language other than English at home. Almost 2 million people do not speak English at all and 4.8 million people do not speak English well. The 1990 U.S. Census also found that various minority populations and subgroups are linguistically isolated: Approximately 4 million Hispanics; approximately 1.6 million Asians and Pacific Islanders; approximately 282,000 Blacks; and approximately 77,000 Native Americans and Alaska Natives.

Besides the social, cultural and linguistic barriers, which affect the delivery of adequate health care, there are other factors that contribute to the poor health status of LEP minority people. These factors include:
