

Intervene according to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214) (see appendix 3).

The date for filing timely motions to intervene in these proceedings has passed. Therefore, parties now seeking to file late interventions must show good cause, as required by Section 385.214(b)(3), why this time limitation should be waived. Environmental issues have been viewed as good cause for late intervention. You do not need intervenor status to have your comments considered.

#### *Environmental Mailing List*

This notice is being sent to individuals, organizations, and government entities interested and/or potentially affected by the proposed project. It is also being sent to all potential right-of-way grantors to solicit focused comments regarding environmental considerations related to the proposed project. As details of the project become established, representatives of Millennium will directly contact landowners, communities, and public agencies concerning any other matters, including acquisition of permits and rights-of-way.

Anyone offering scoping comments will be automatically kept on our environmental mailing list for this project. If you do not want to send comments at this time but still want to keep informed and receive copies of the Draft and Final EISs, please return the Information Request (appendix 4). If you do not return the Information Request, you will be taken off the mailing list.

For procedural information, please write to the Secretary of the Commission. Additional procedural or other information about the proposed project is available from Paul McKee in the Commission's Office of External Affairs at (202) 208-1088.
