**SUPPLEMENTARY INFORMATION:** Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 3506 (c)(2)(A)) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Deputy Chief Information Officer, Office of the Chief Information Officer, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. ED invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper

functions of the Department, (2) will this information be processed and used in a timely manner, (3) is the estimate of burden accurate, (4) how might the Department enhance the quality, utility, and clarity of the information to be collected, and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

*Type of Review:* New.

*Title:* Grants to States for Training Incarcerated Youth Offenders—State Plan, Data Collection.

*Abstract:* To receive an award under the Youth Offenders Program, a State Correctional Education Agency must submit a State Plan describing how the program will operate. The data requested from the State is necessary to run the allocation formula.

*Additional Information:* The Department of Education's Fiscal Year 1998 appropriation included \$12 million to fund Grants to States for Workplace and Community Transition Training for Incarcerated Youth Offenders (Title X, Part E, Section 1091 of the Higher Education Act). This is the first appropriation for this Program. As a result, the Department needs State Correctional Education Agencies to submit an application of operation. In addition, States need to submit data concerning the number of "eligible students" under the Program, so that the Department can run the State allocation formula. The statute also requires State Correctional Education Agencies to conduct an evaluation and to annually report to the Secretary and the Attorney General on the results of the evaluation.

*Frequency:* Three-year plan.

*Affected Public:* State, local or Tribal Gov't, SEAs or LEAs.

*Reporting and Recordkeeping Burden:* Responses: 56.

Burden Hours: 9,520.
